THAN EVER, ONE GROUP
OF YOUNG HEROES HAS
BANDED TOGETHER TO
FIGHT BACK.**

ULTIMATE COMICS X-MEN

PREVIOUSLY:

Hated and feared since Magneto's Ultimatum Wave ripped apart New York City, mutants have been locked up and forced to live in camps, the most notable being Camp Angel.

Ororo Munroe (a.k.a. Storm) had been acting as a liaison between the mutant prisoners and the human captors within Camp Angel, but when Valerie Cooper made the announcement that mutants were the product of government engineering, Ororo staged a rebellion. The riot abruptly ended when Stryker's pack of Nimrod robots attacked the camp. Stryker, an anti-mutant militiaman had been seemingly killed by Kitty Pryde, but not before his consciousness was transferred to the Nimrods--robots who were originally created by the government to control mutants.

Now with Stryker's vicious mission infiltrating these ruthless machines, there's no telling what will become of the rest of the country.

CAMP ANGEL.

NO.

Hey!

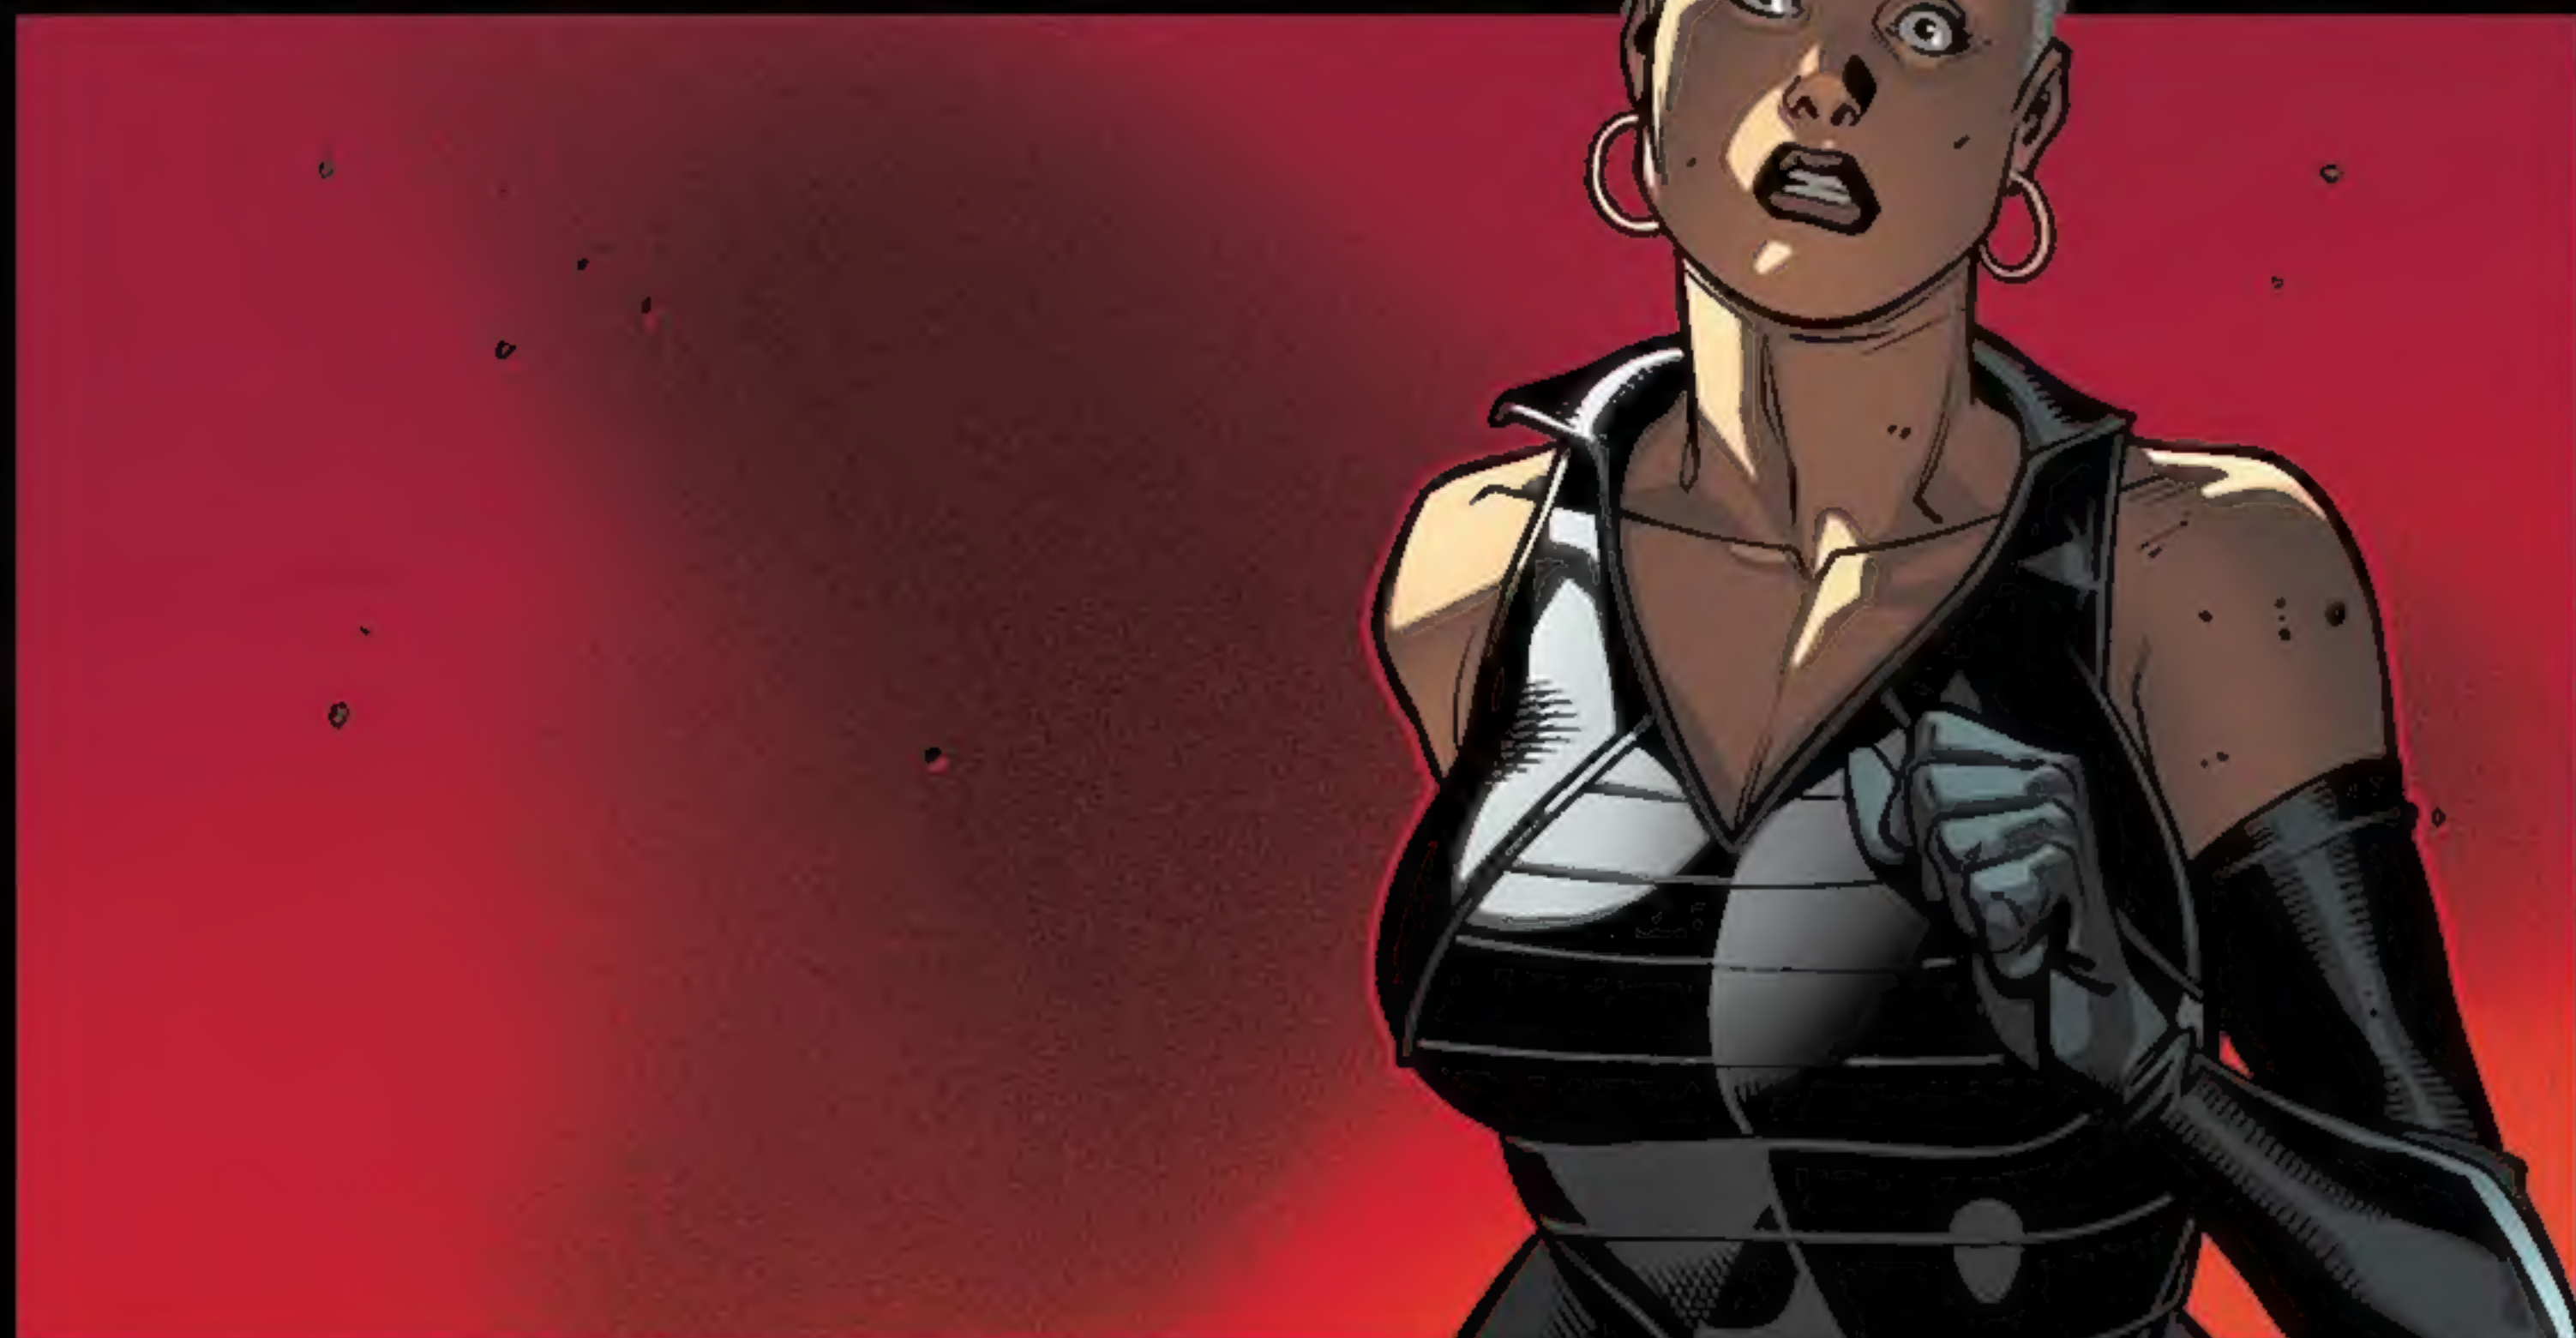

Hey! Snap out of it, Storm! Listen to me--

But Captain Walker, you gonna trust a mutant?

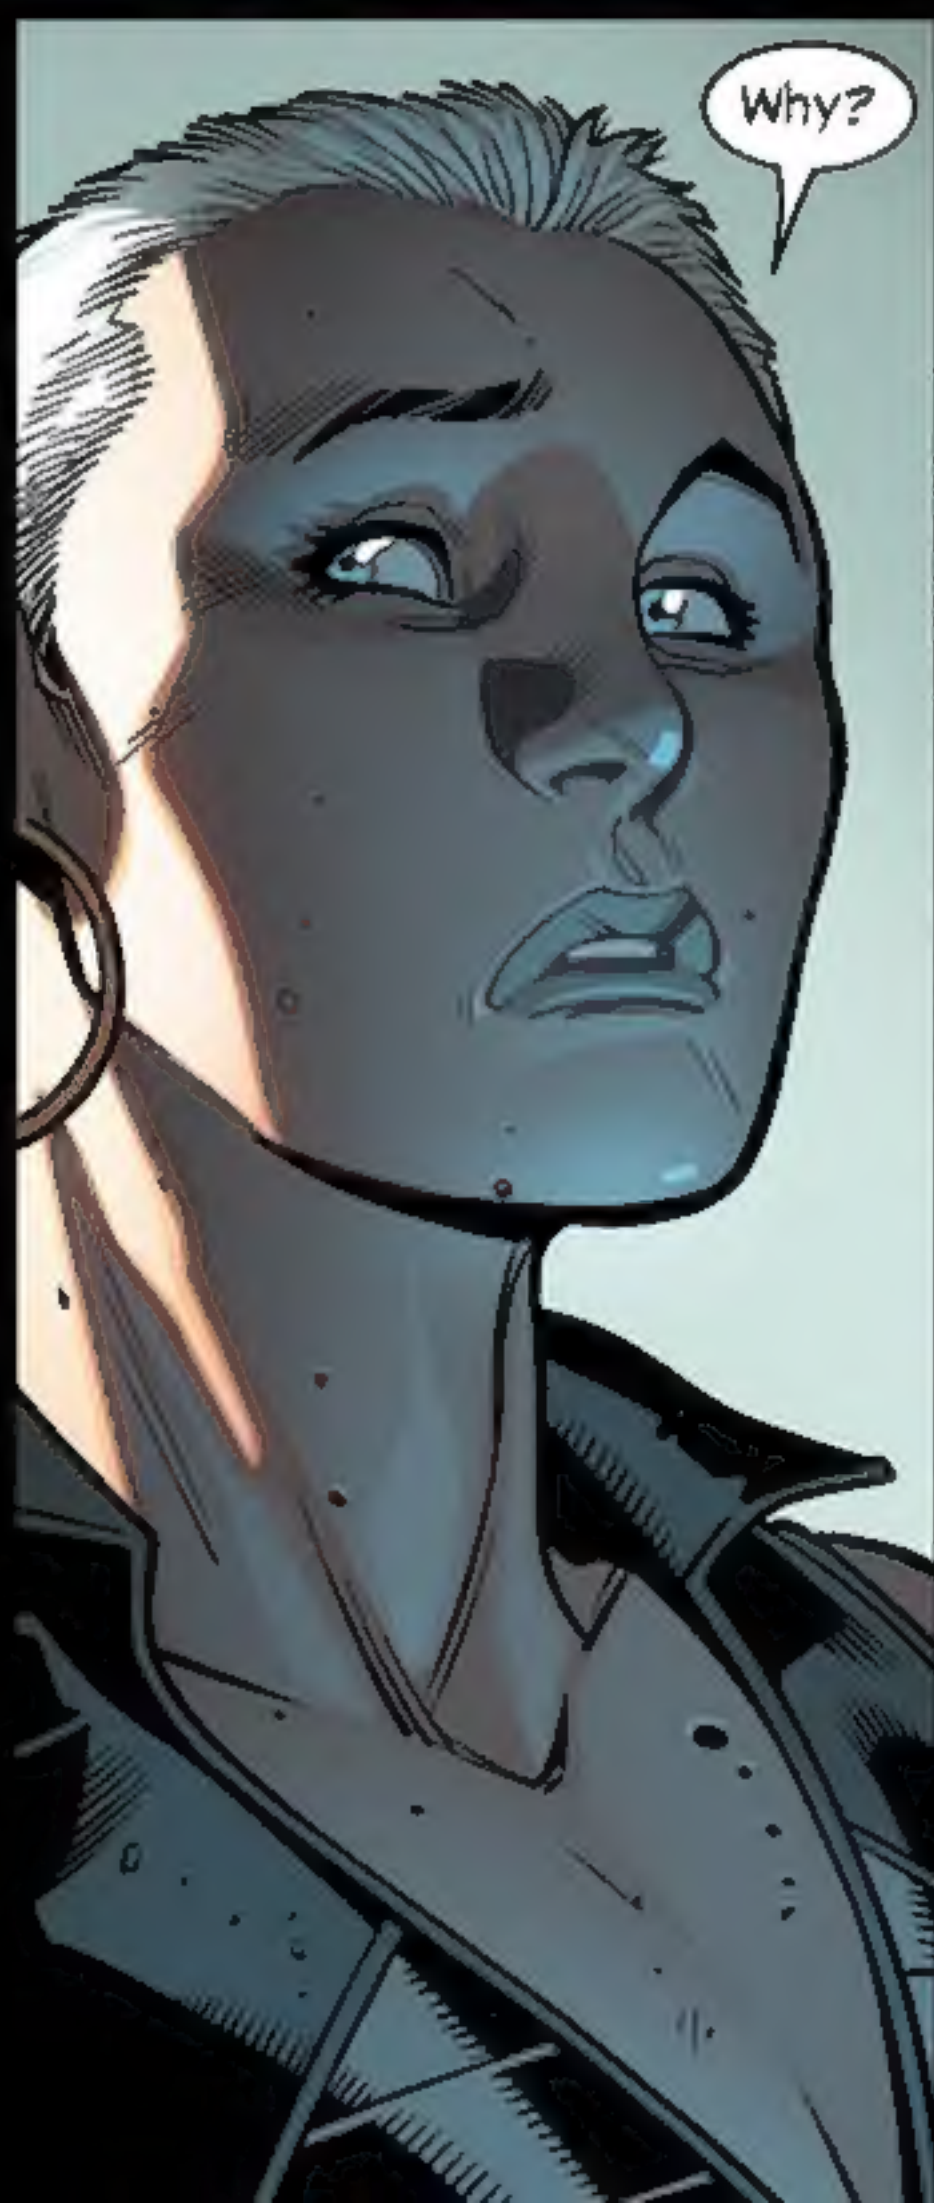

I can get us out of here.

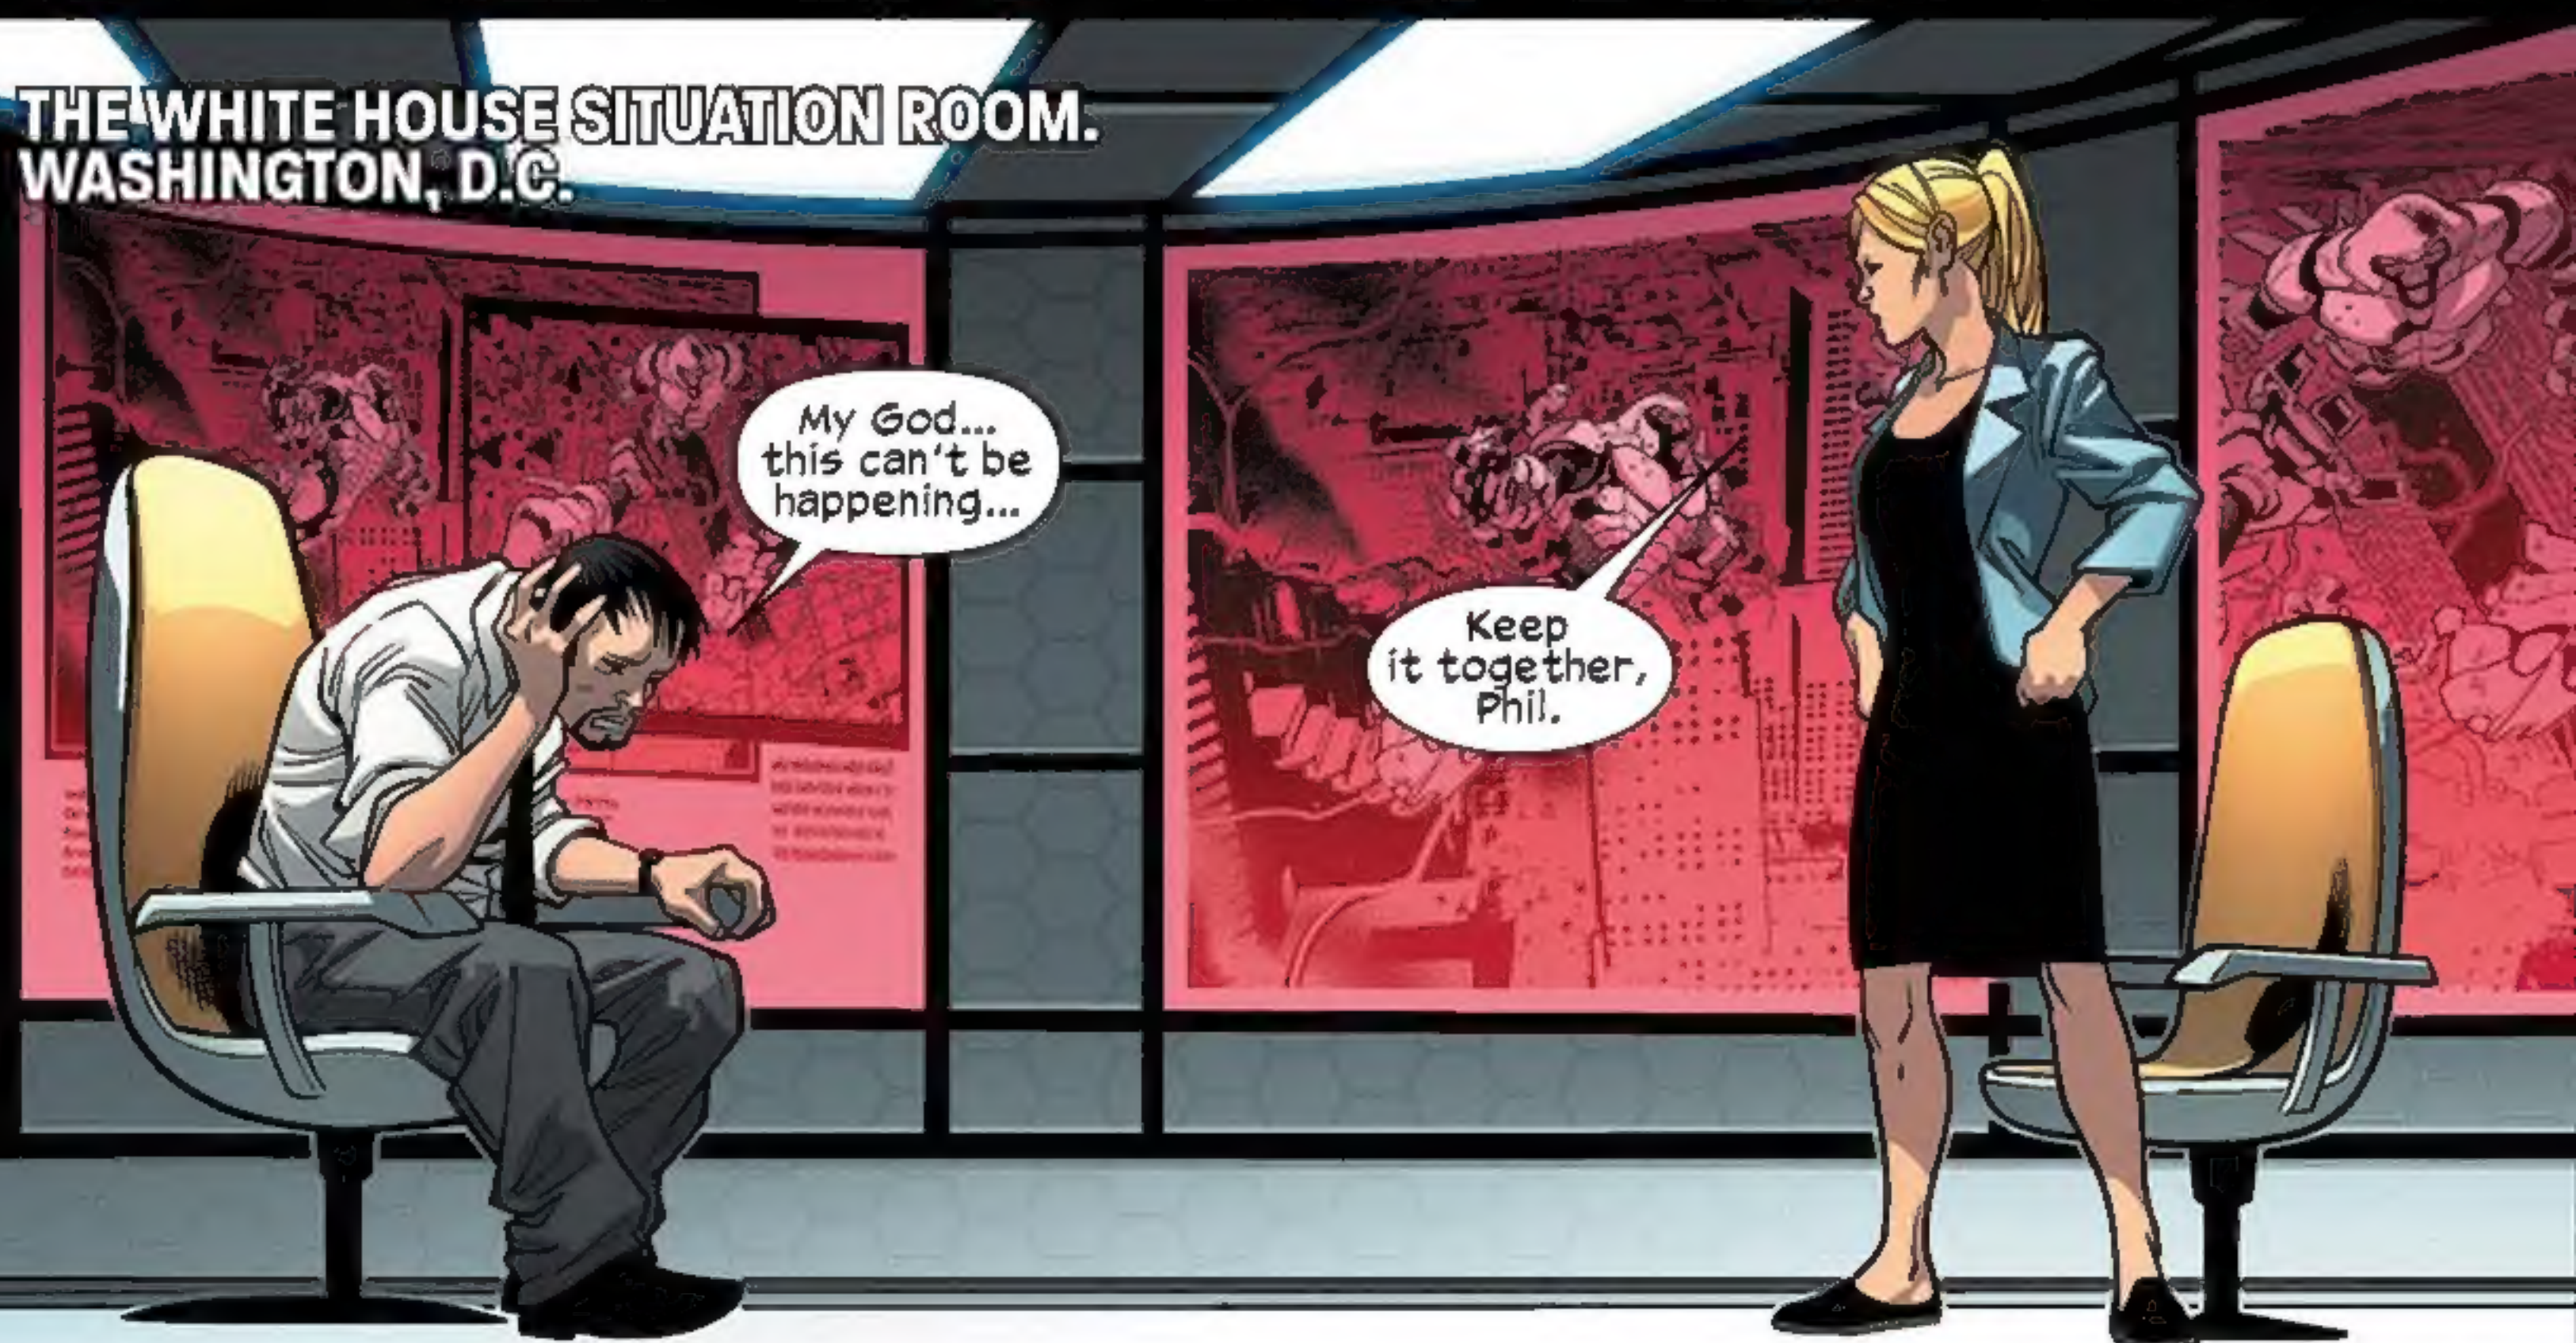

THE WHITE HOUSE SITUATION ROOM.
WASHINGTON, D.C.

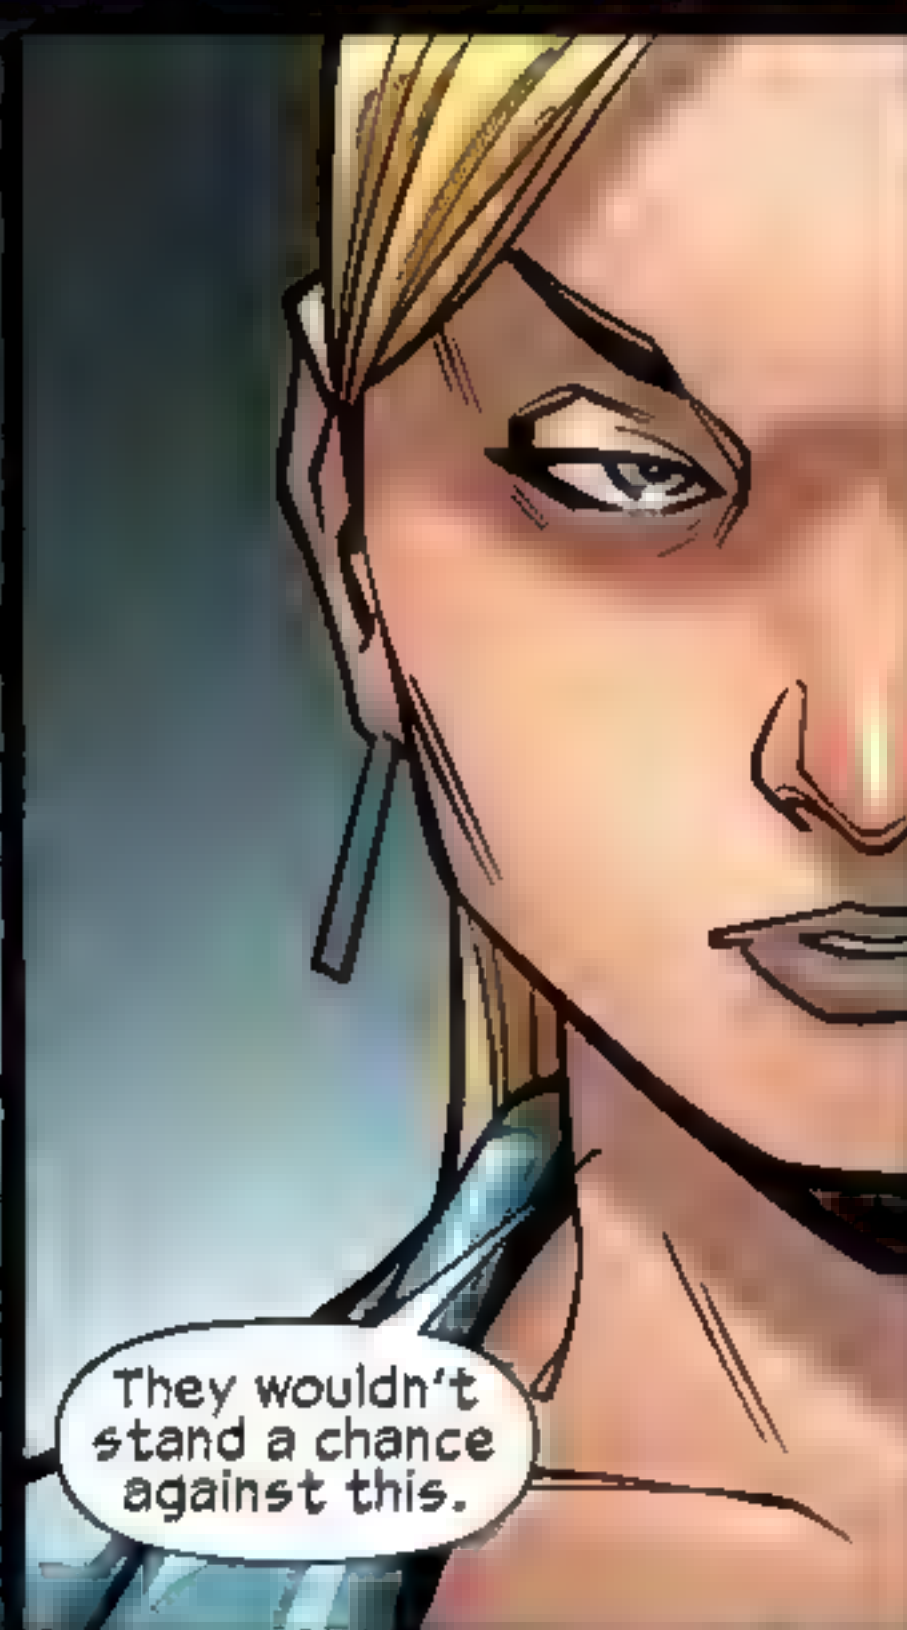

This is worse
than New York.
This is worse
than the flood.

By any
number of
degrees,
yes.

What about
Nick Fury? What
about the
Ultimates?

The Ultimates
are at half strength
if that, and halfway
around the world.
And even if they
weren't--

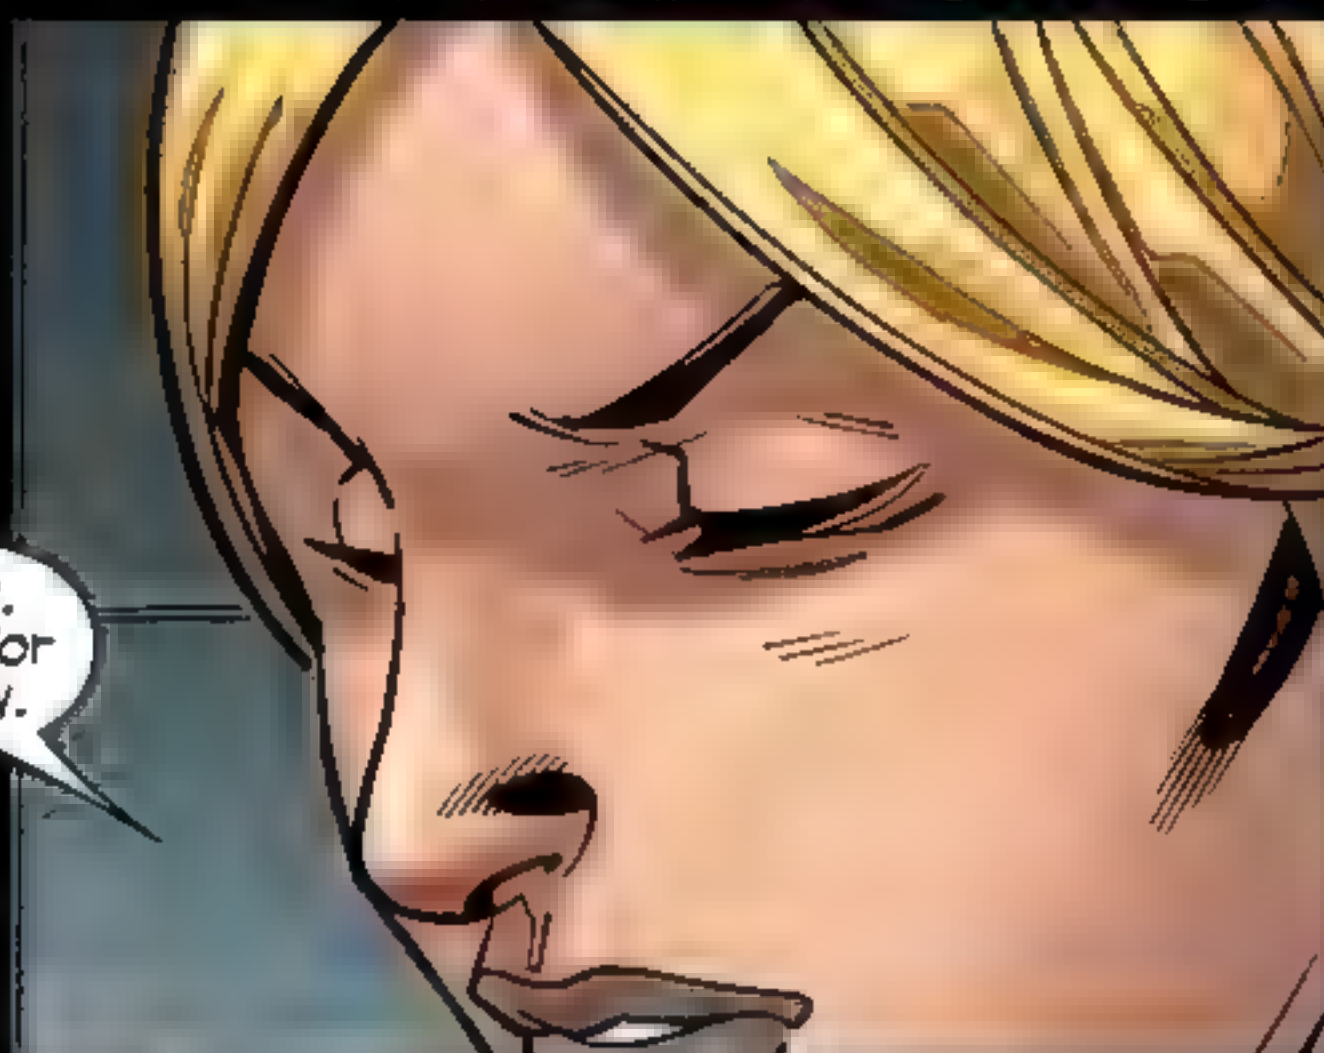

They wouldn't
stand a chance
against this.

My aunt...
she retired to
Arizona. They
said the death
count is--

Not now.
No time for
that now.

We're getting all these reports-- police, National Guard units, they're refusing to fight.

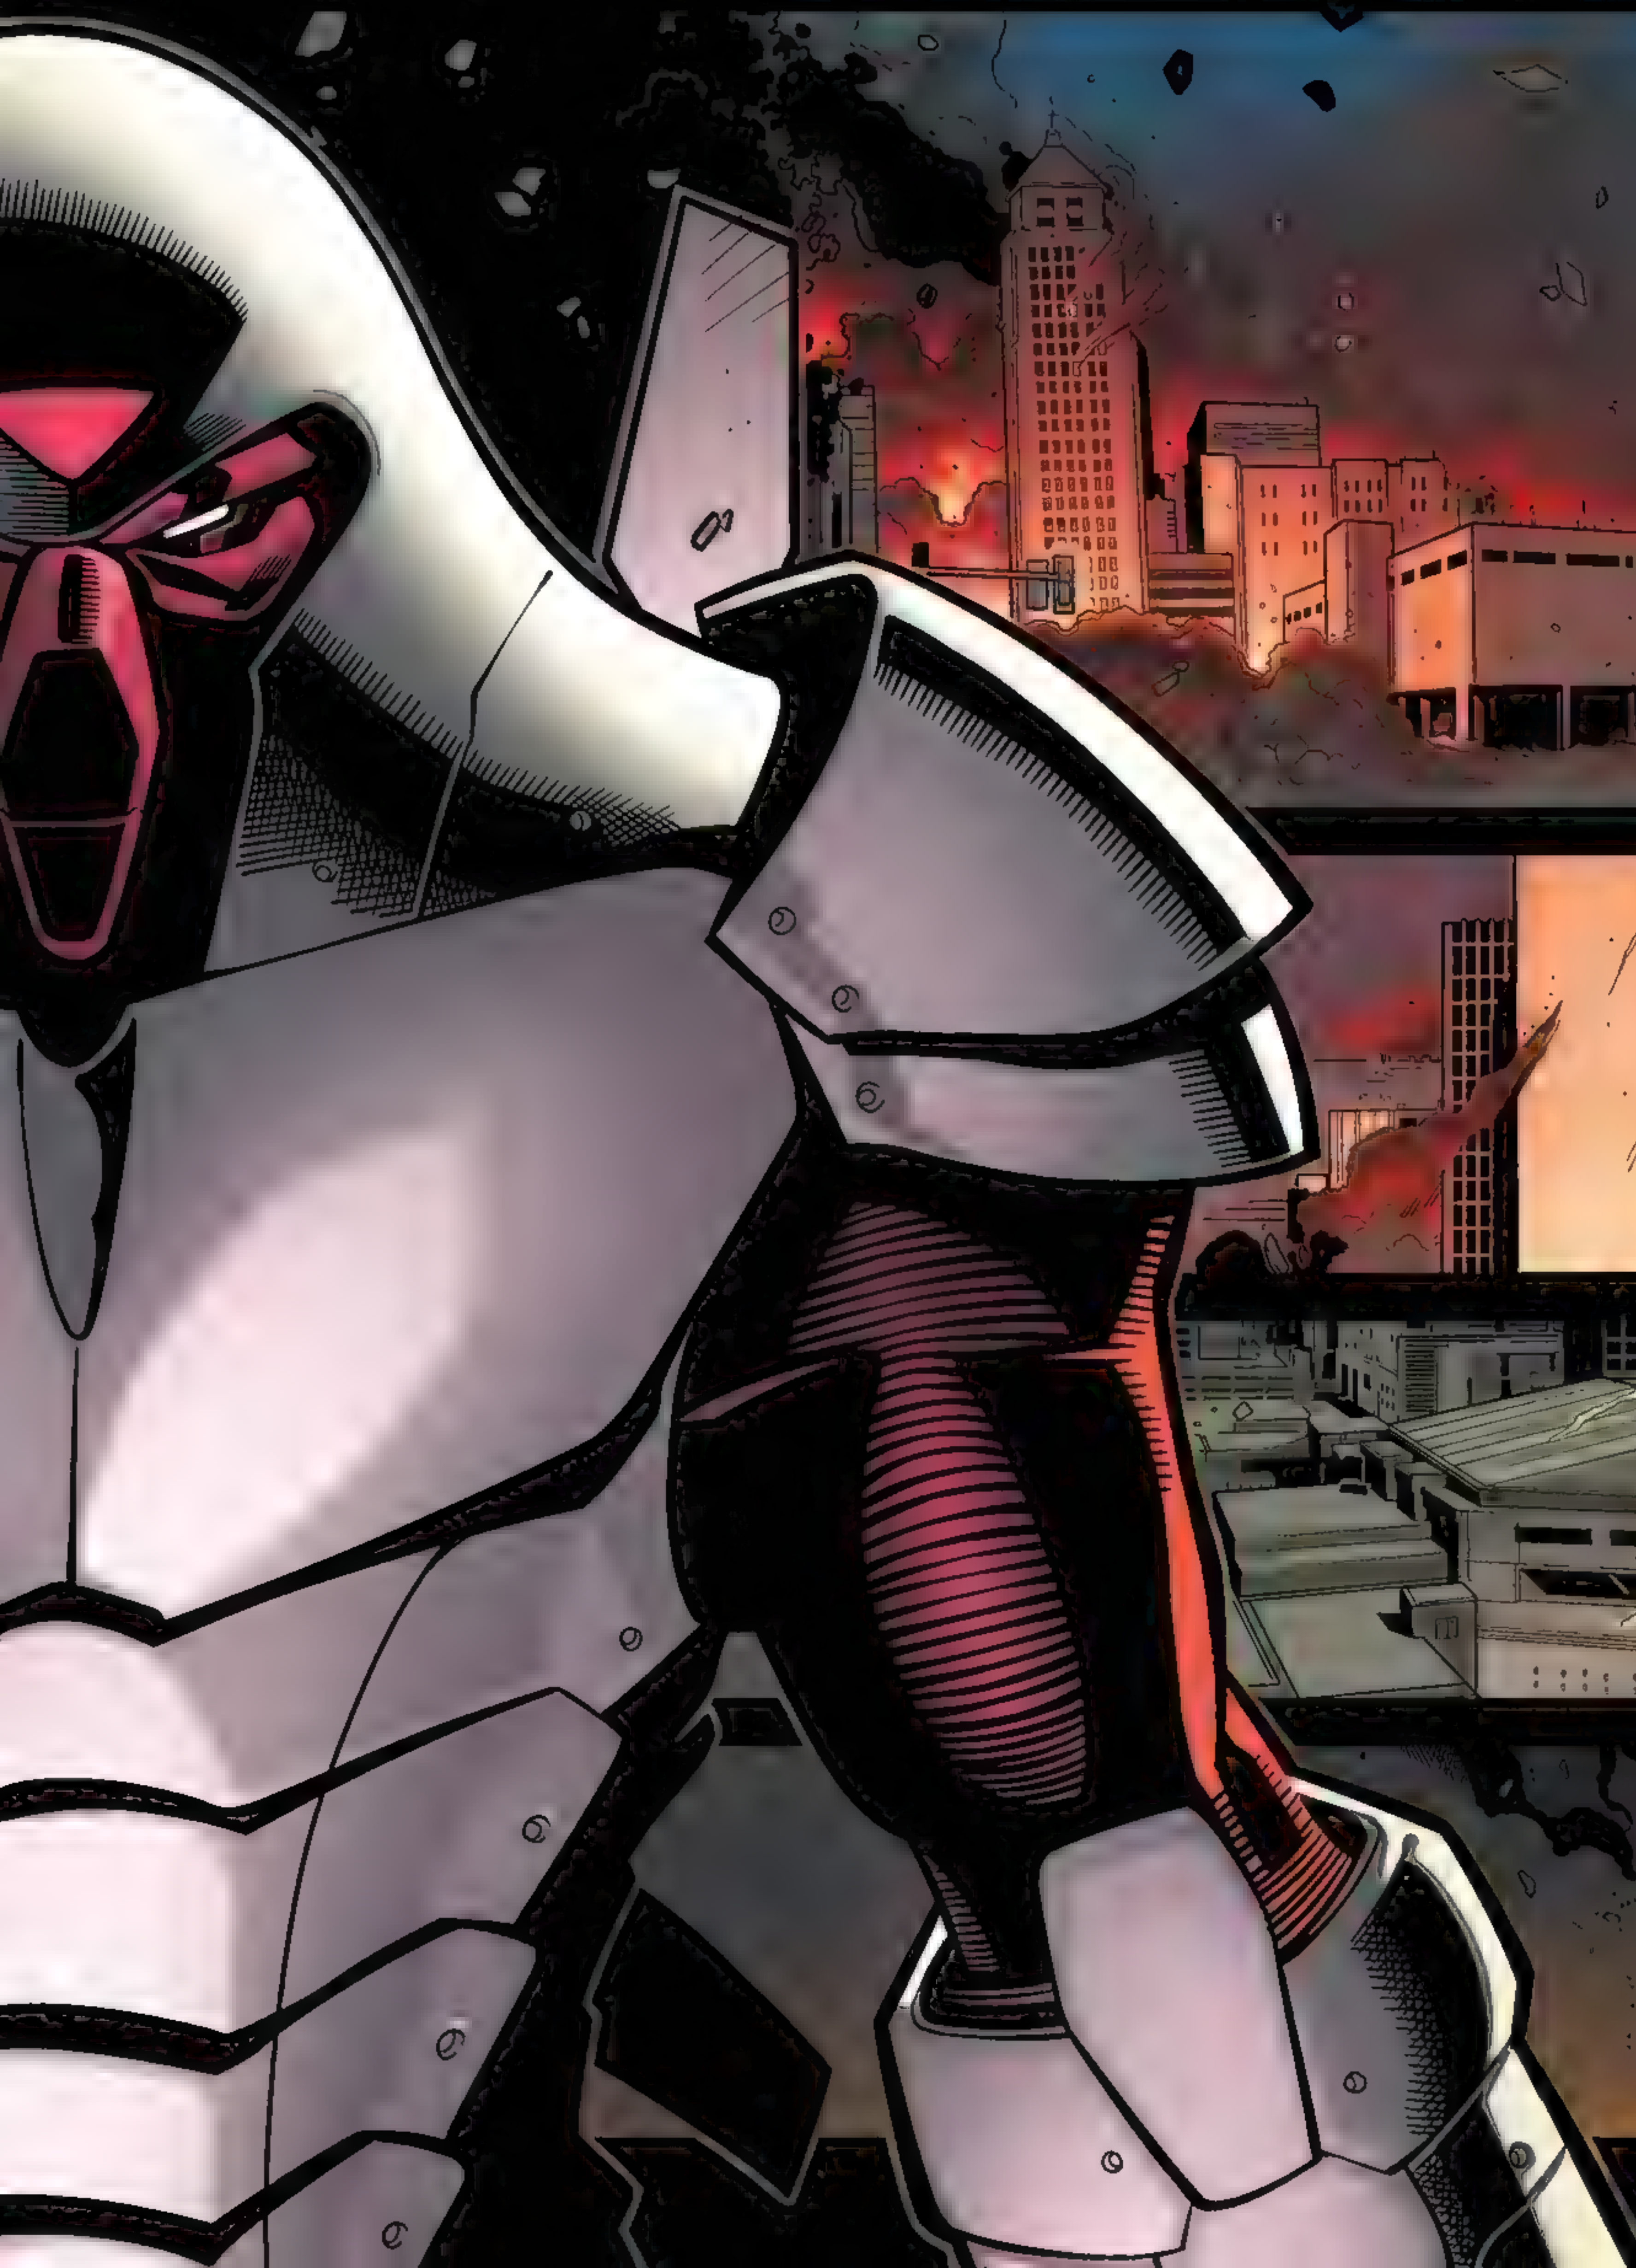

Why would they do that?

Isn't it obvious?

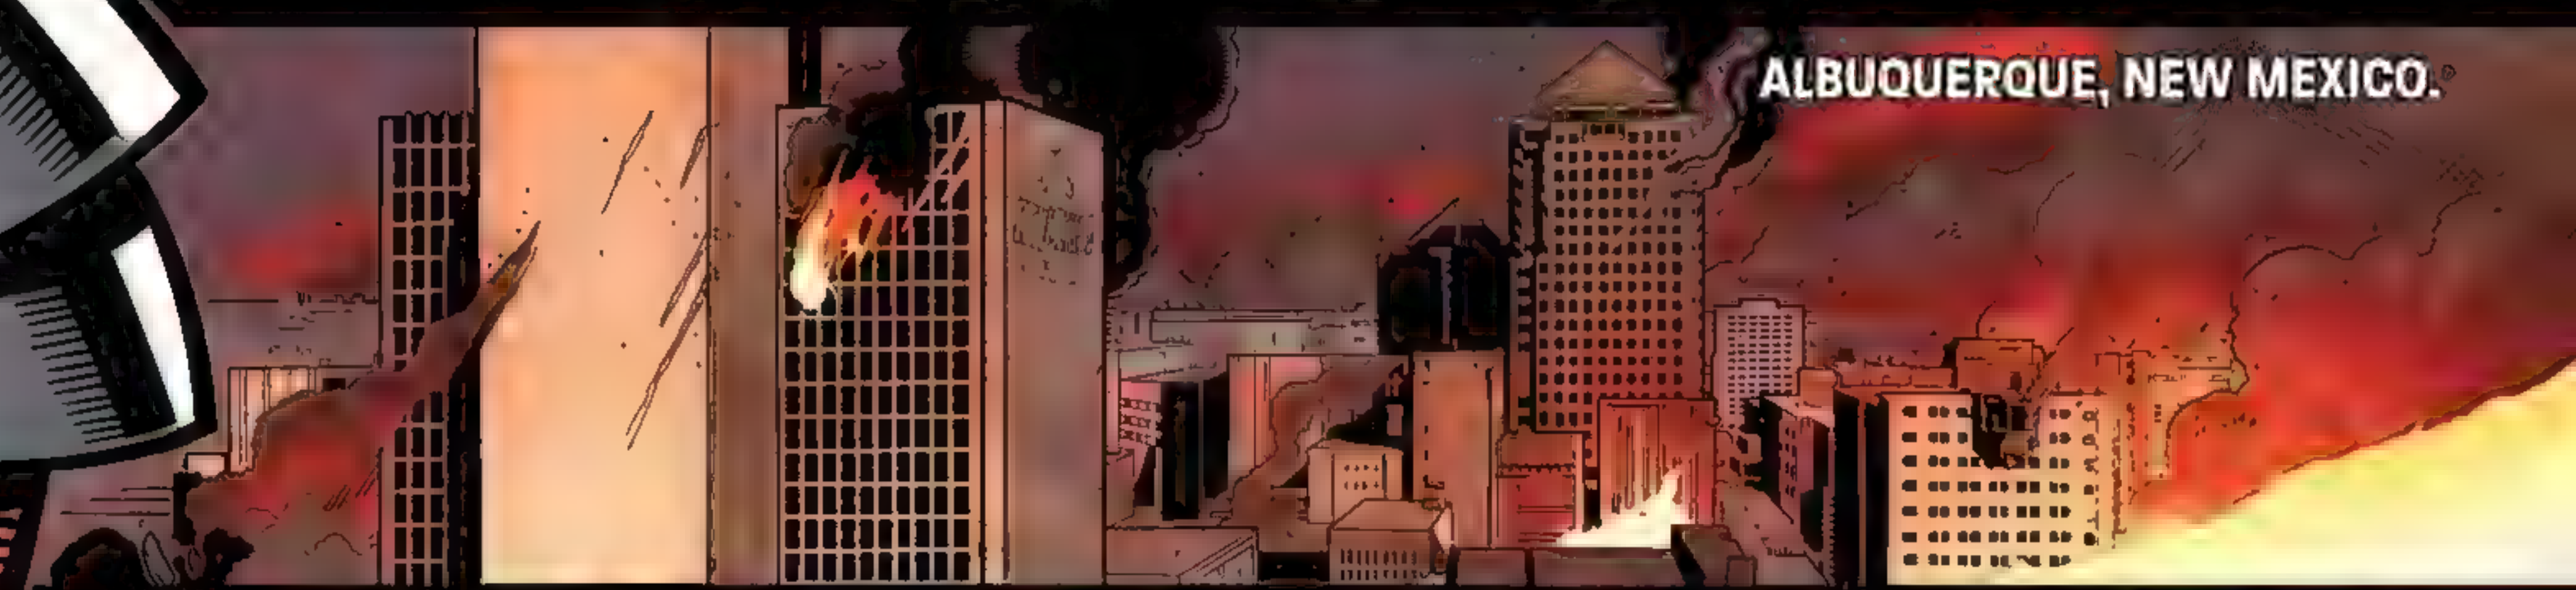

They know it's already over.

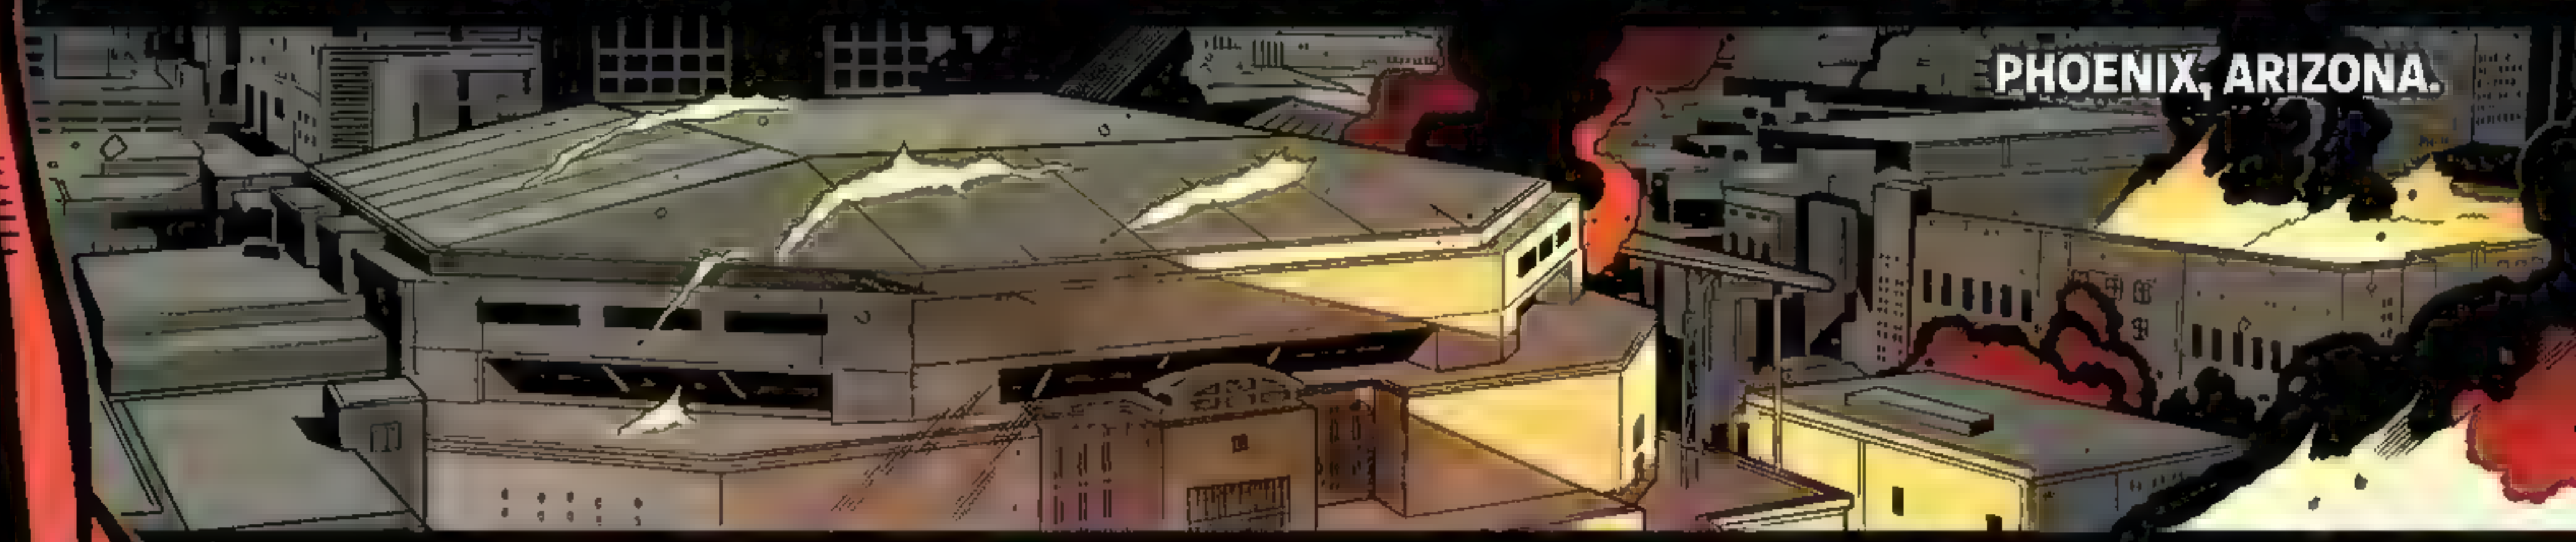

OKLAHOMA CITY, OKLAHOMA.

ALBUQUERQUE, NEW MEXICO.

PHOENIX, ARIZONA.

LAS VEGAS, NEVADA.

NEW YORK CITY.

MORLOCK TUNNELS.

Kitty!

Who wanted the marshmallows?

Me! Me!

Okay, well, they were out. I got you bananas instead. You know, nature's candy. Or something.

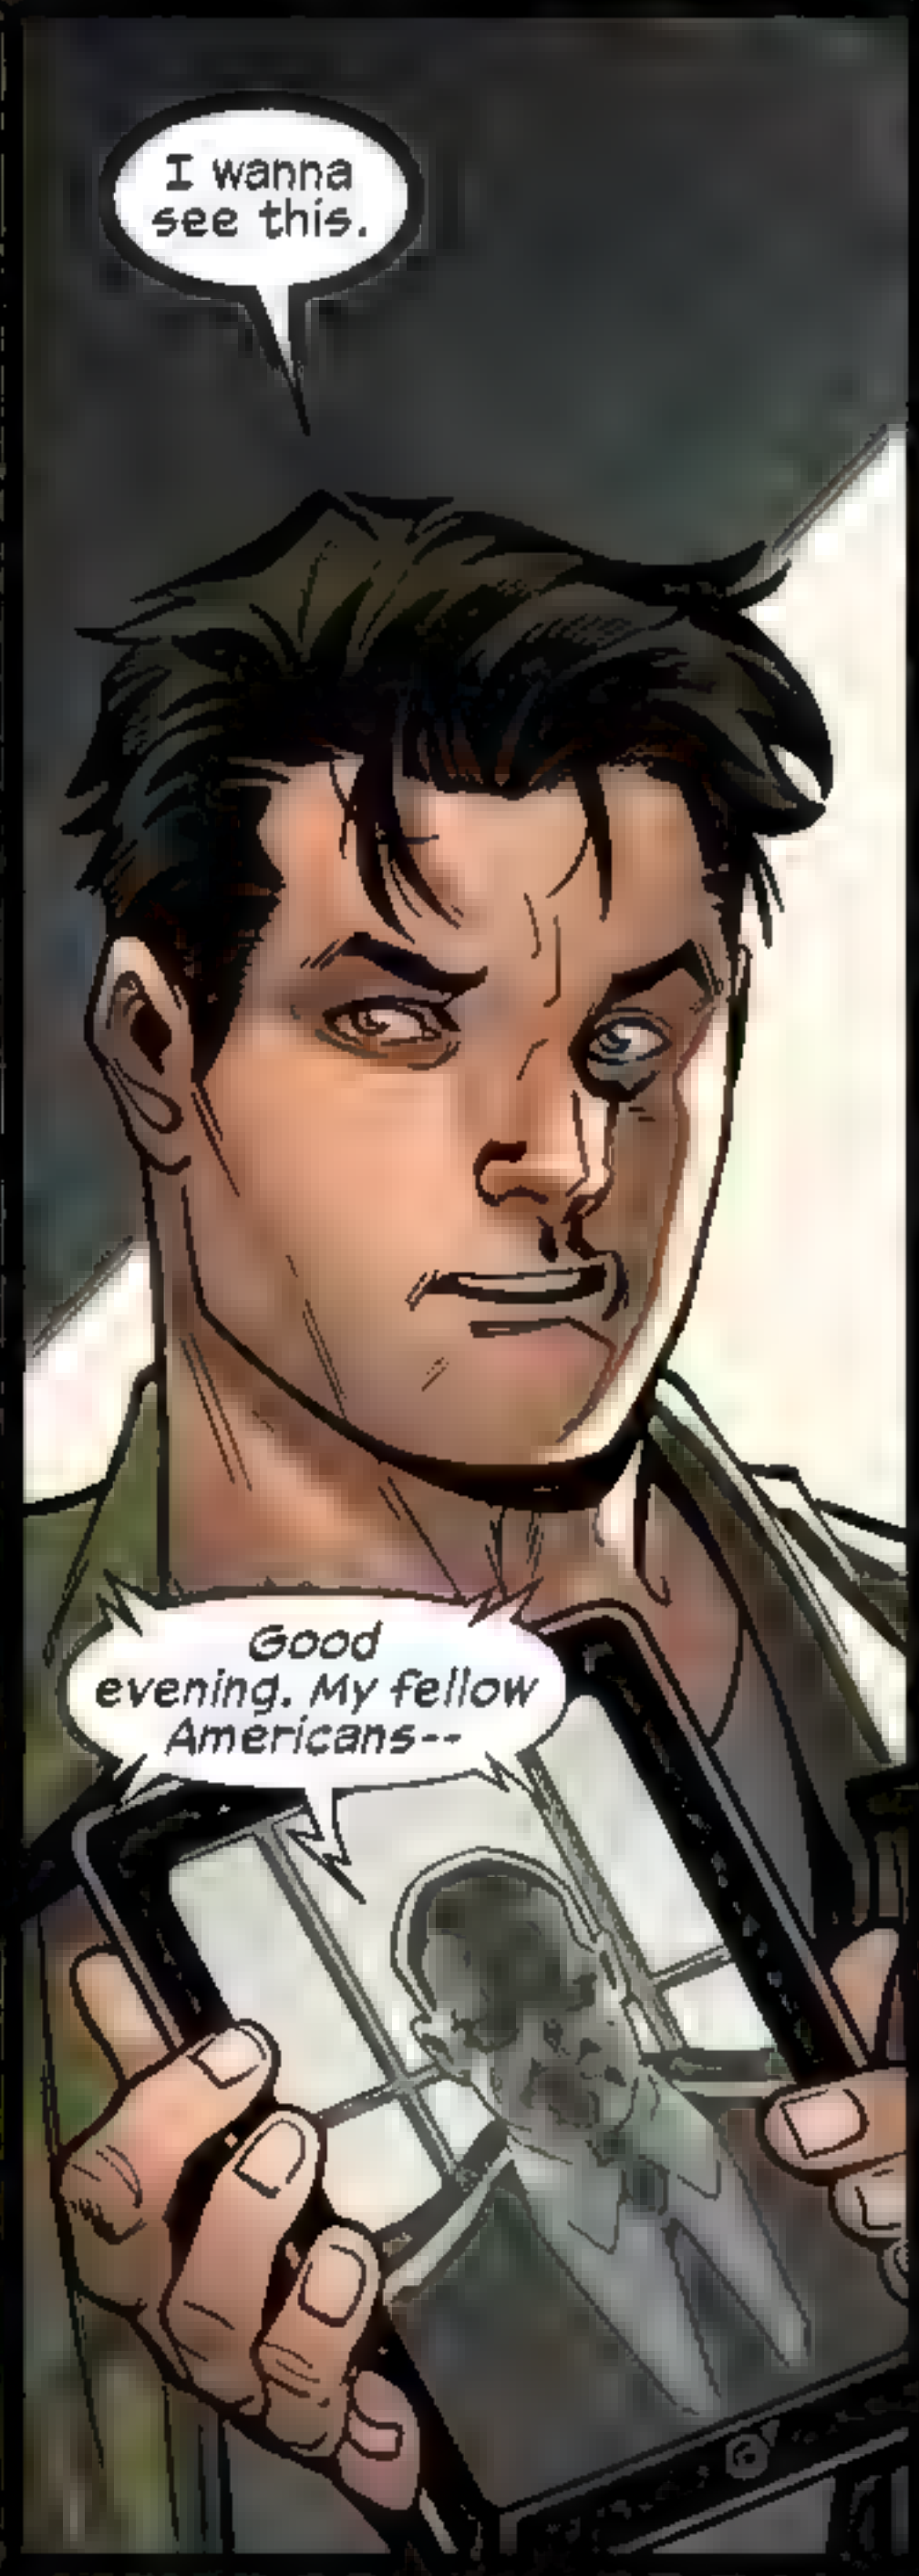

Awww...

Your teeth will thank me.

This is why I never got babysitting gigs.

Everybody, shut up!

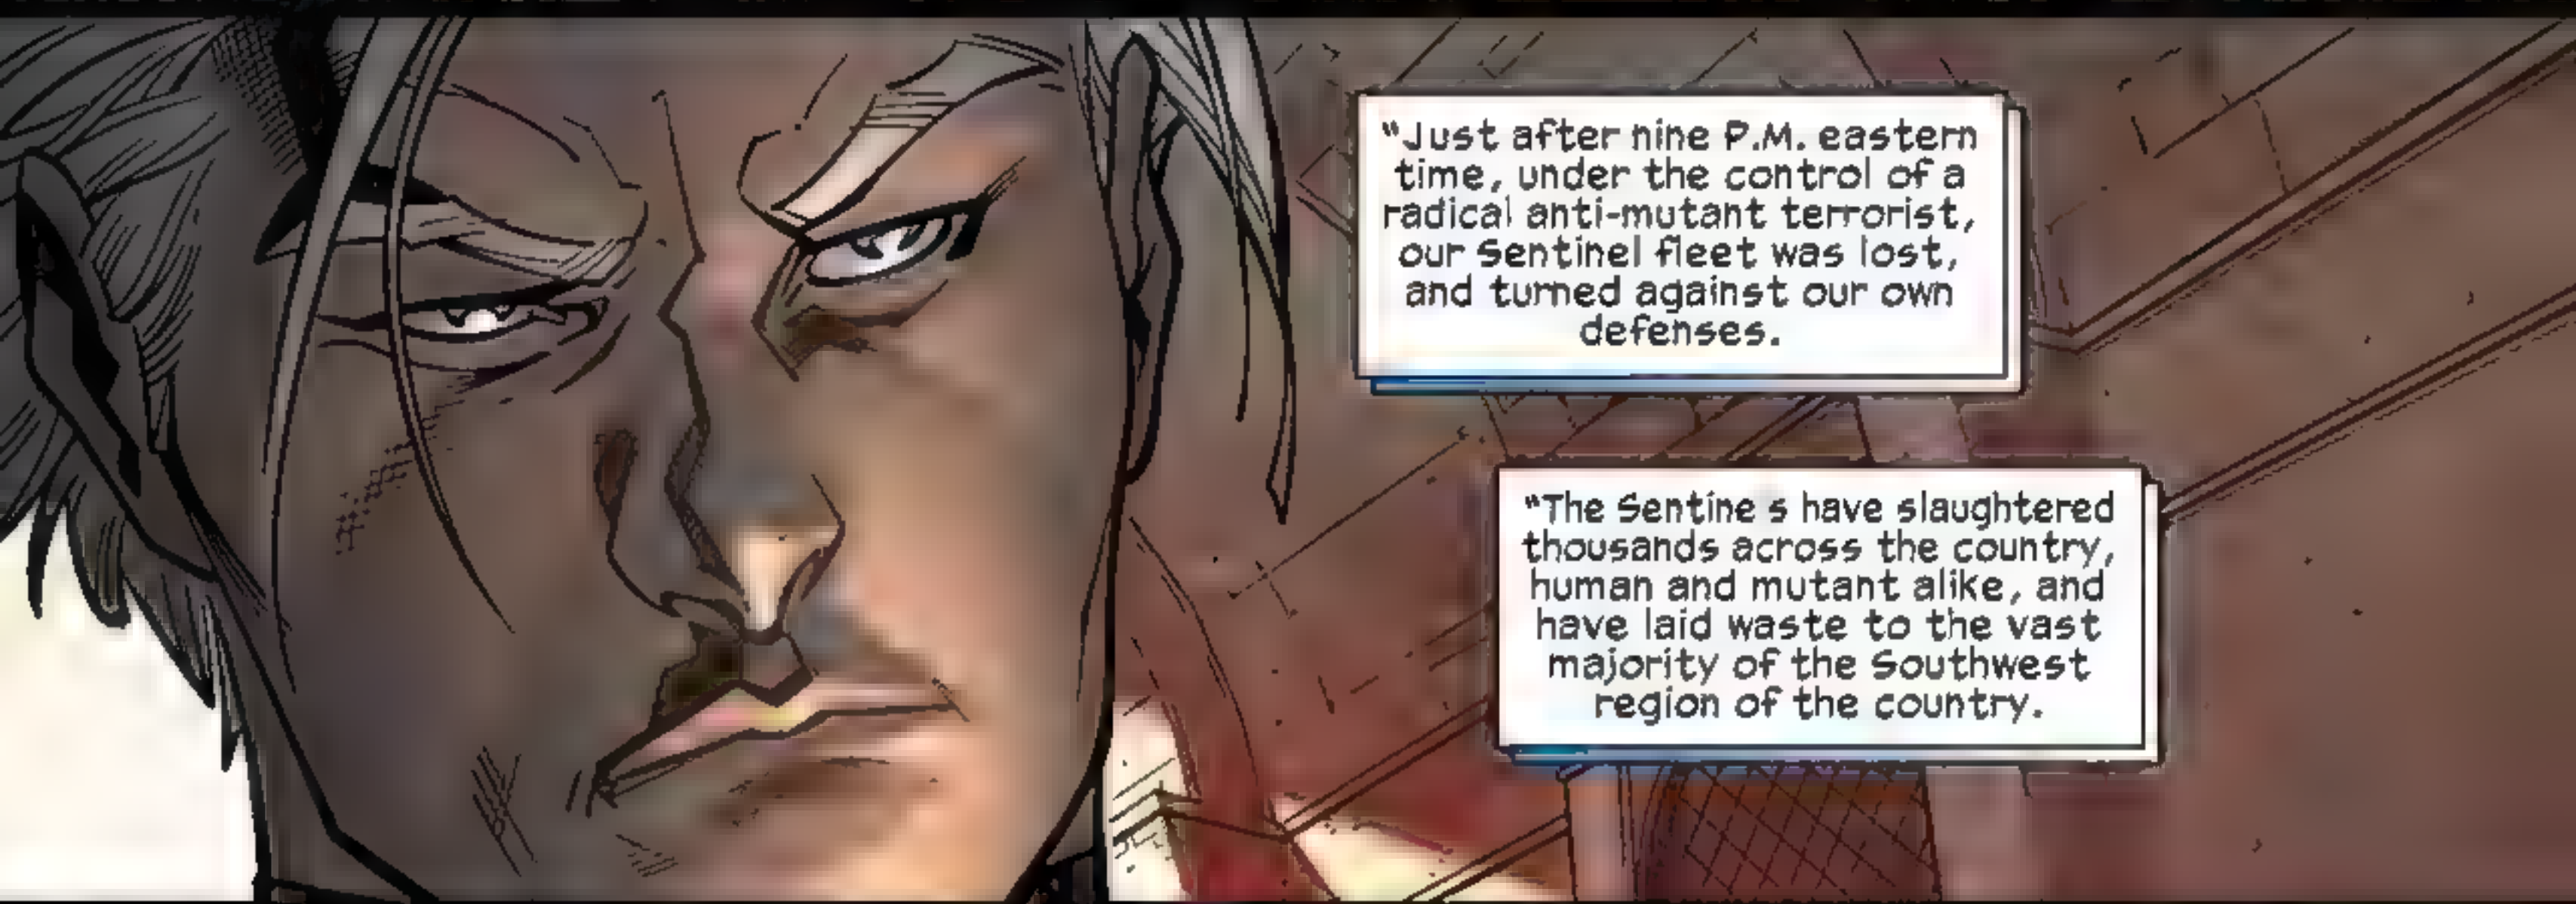

I wanna see this.

Good evening. My fellow Americans--

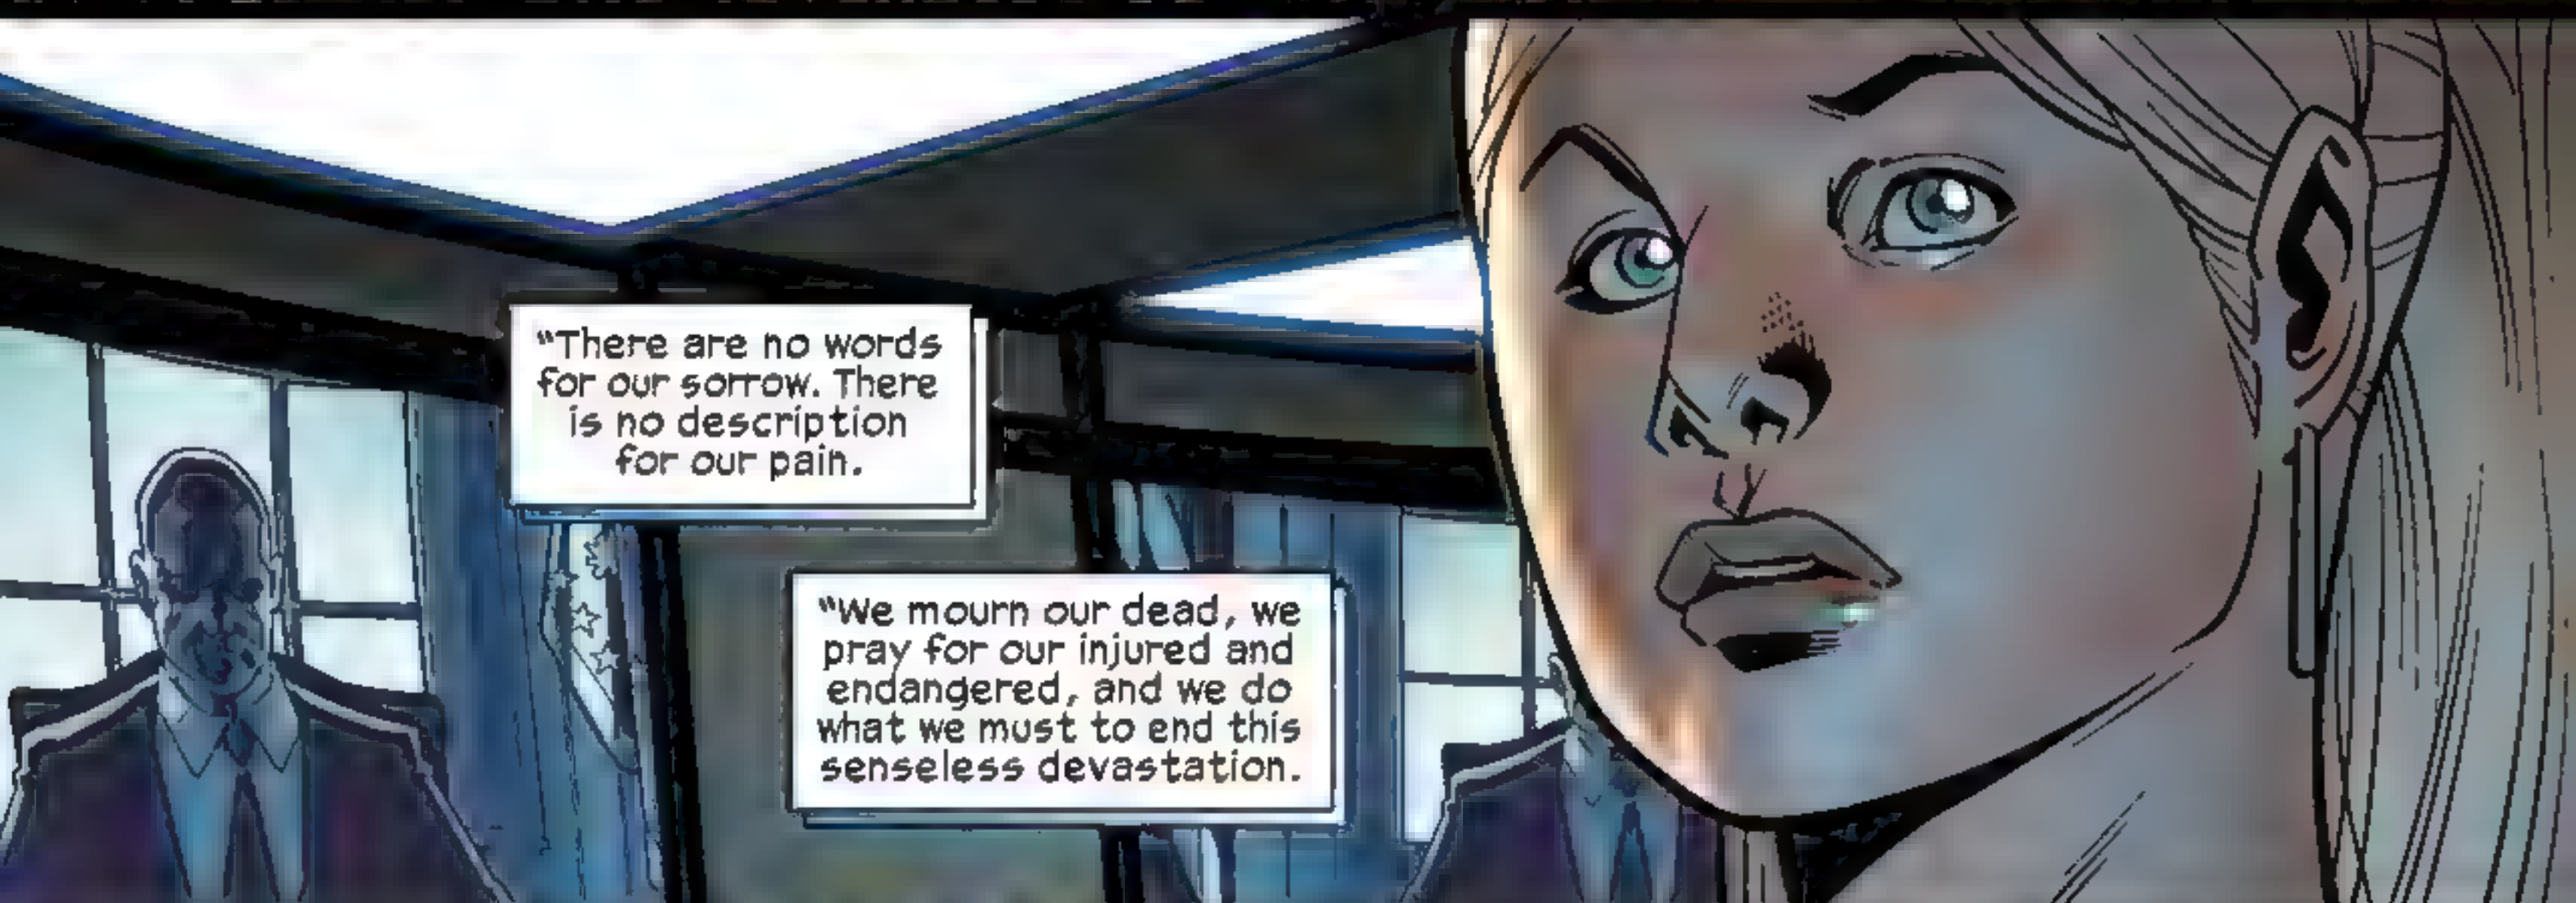

--Tonight
our country
has witnessed an
attack on our soil
unparalleled in
our history.

"Just after nine P.M. eastern
time, under the control of a
radical anti-mutant terrorist,
our Sentinel fleet was lost,
and turned against our own
defenses.

"The Sentine s have slaughtered
thousands across the country,
human and mutant alike, and
have laid waste to the vast
majority of the Southwest
region of the country.

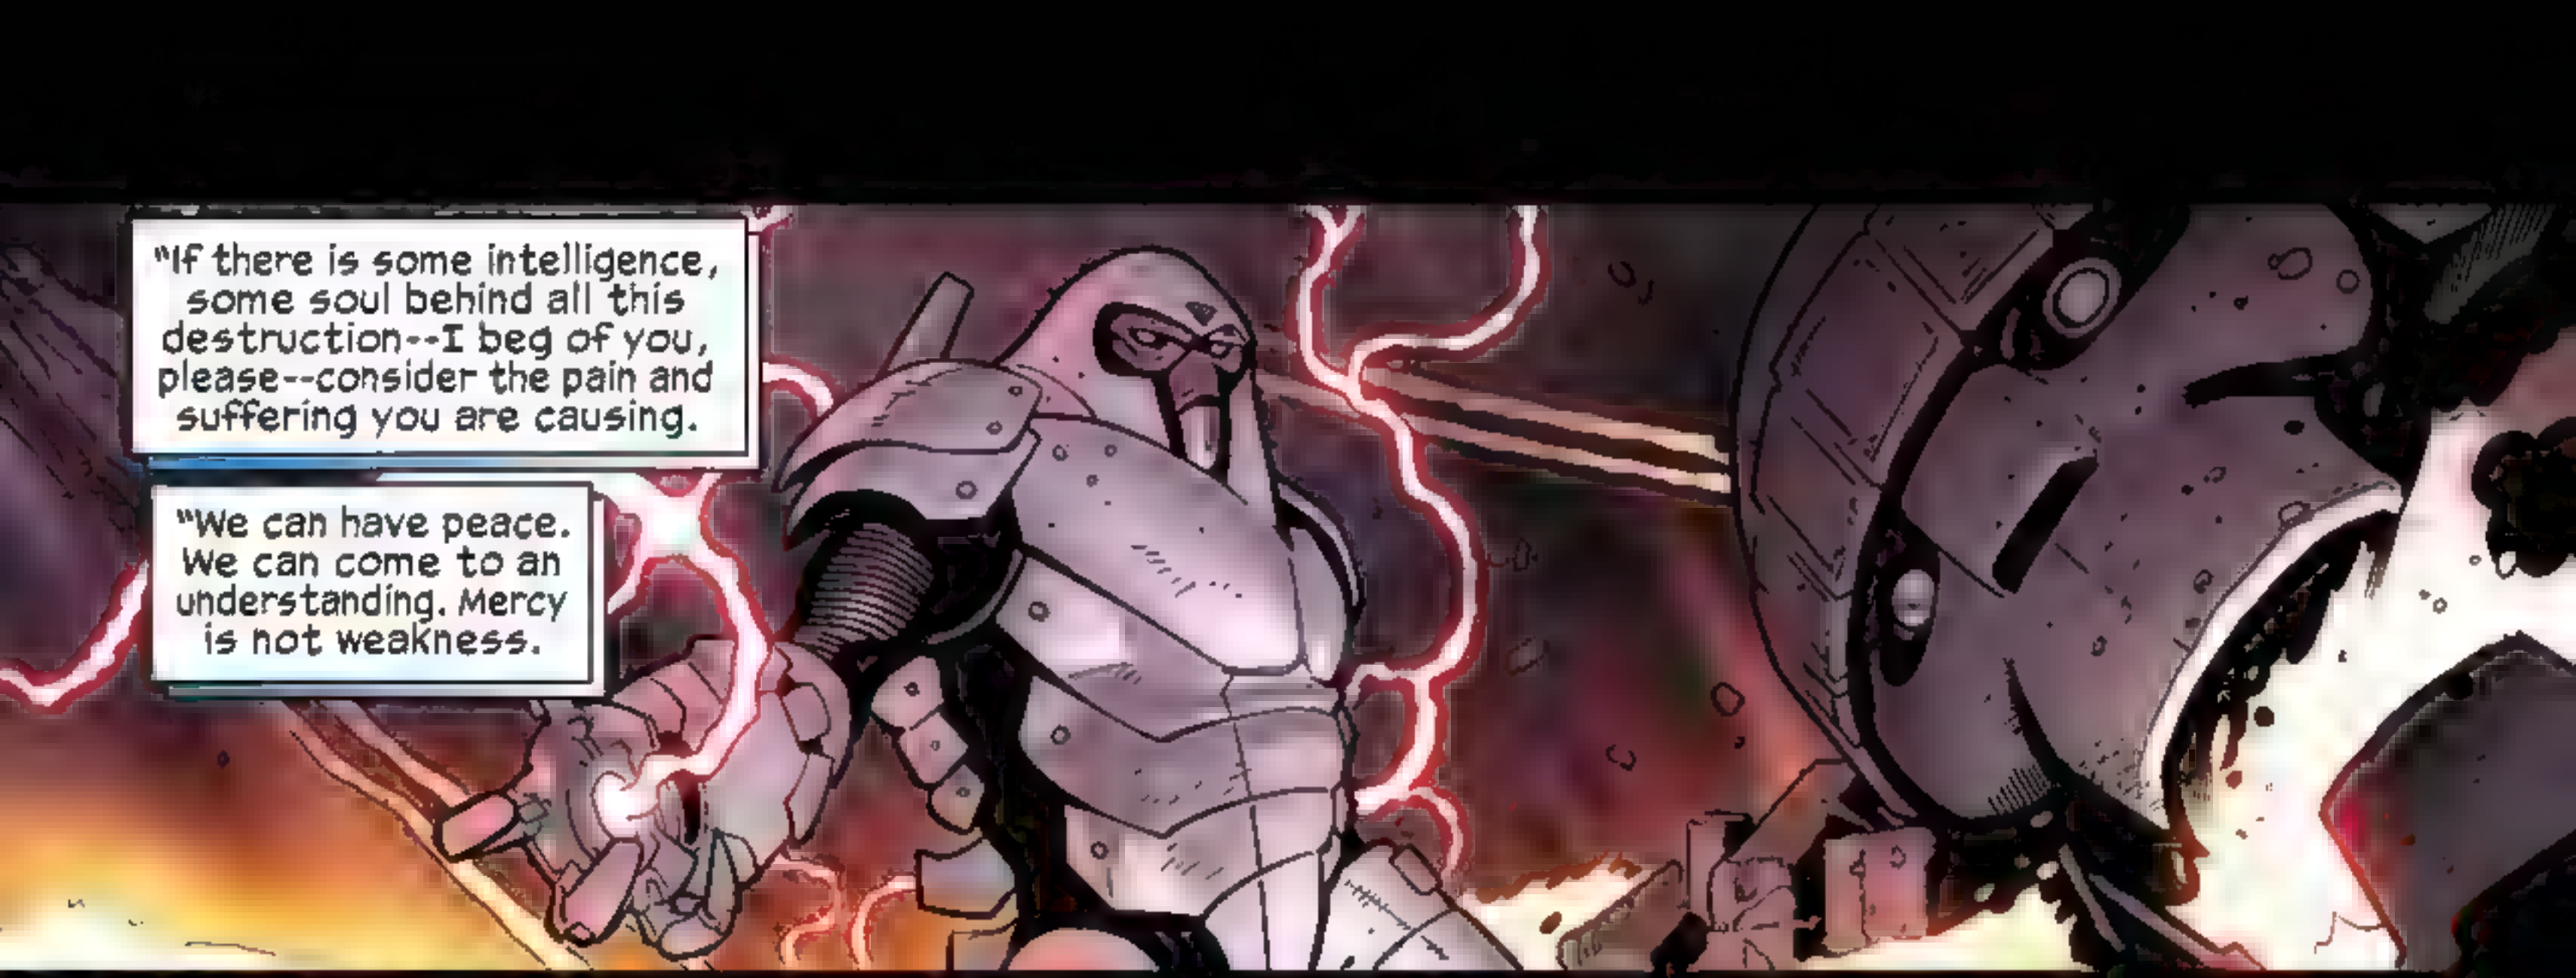

"There are no words
for our sorrow. There
is no description
for our pain.

"We mourn our dead, we
pray for our injured and
endangered, and we do
what we must to end this
senseless devastation.

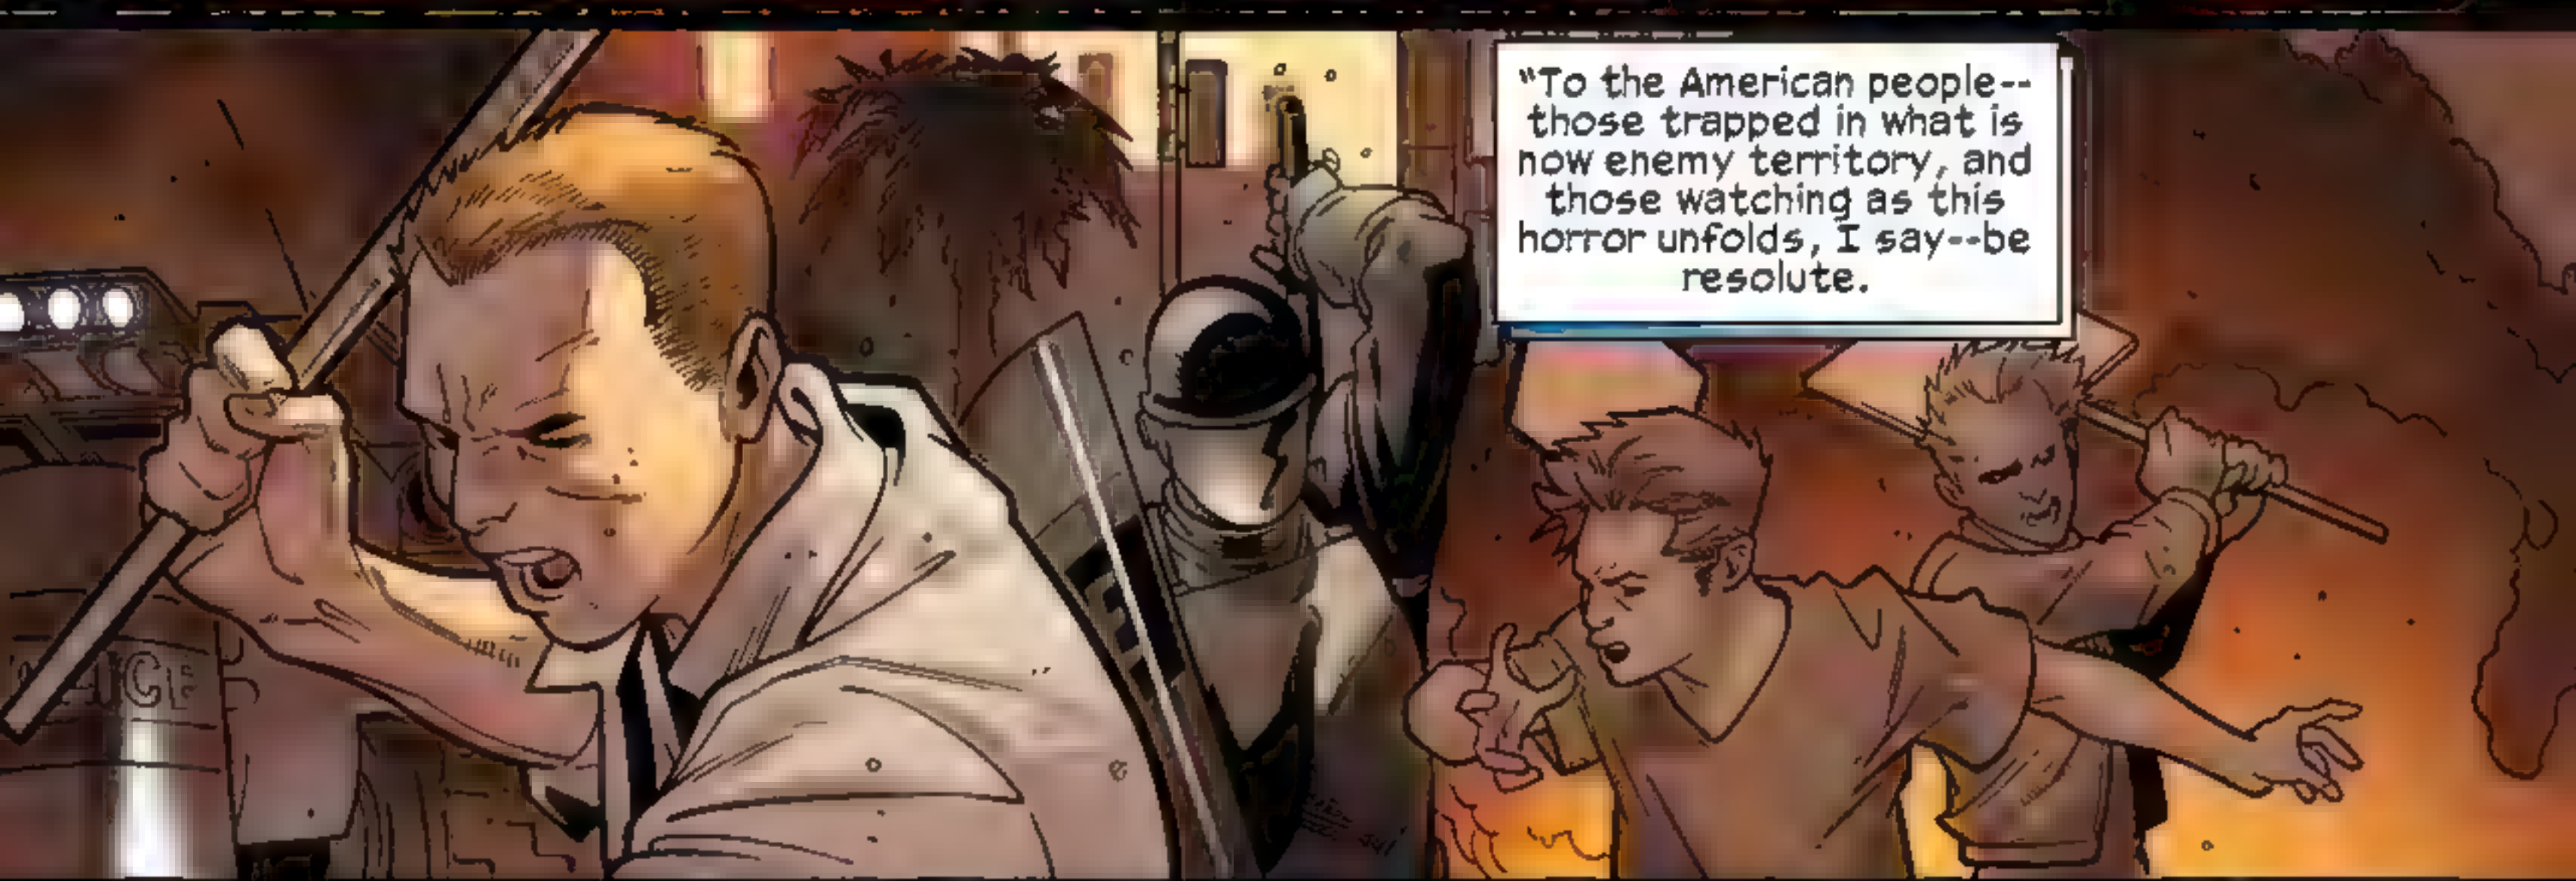

"We have, under my orders,
effectively ceded power
over the states of Arizona,
Nevada, New Mexico, and
Oklahoma.

"All citizens of those states are
hereby ordered by the executive
branch of the government of the
United States of America to stand
down, and seek shelter immediately--
so that further bloodshed may
be avoided.

"If there is some intelligence,
some soul behind all this
destruction--I beg of you,
please--consider the pain and
suffering you are causing.

"We can have peace.
We can come to an
understanding. Mercy
is not weakness.

"To the American people--
those trapped in what is
now enemy territory, and
those watching as this
horror unfolds, I say--be
resolute.

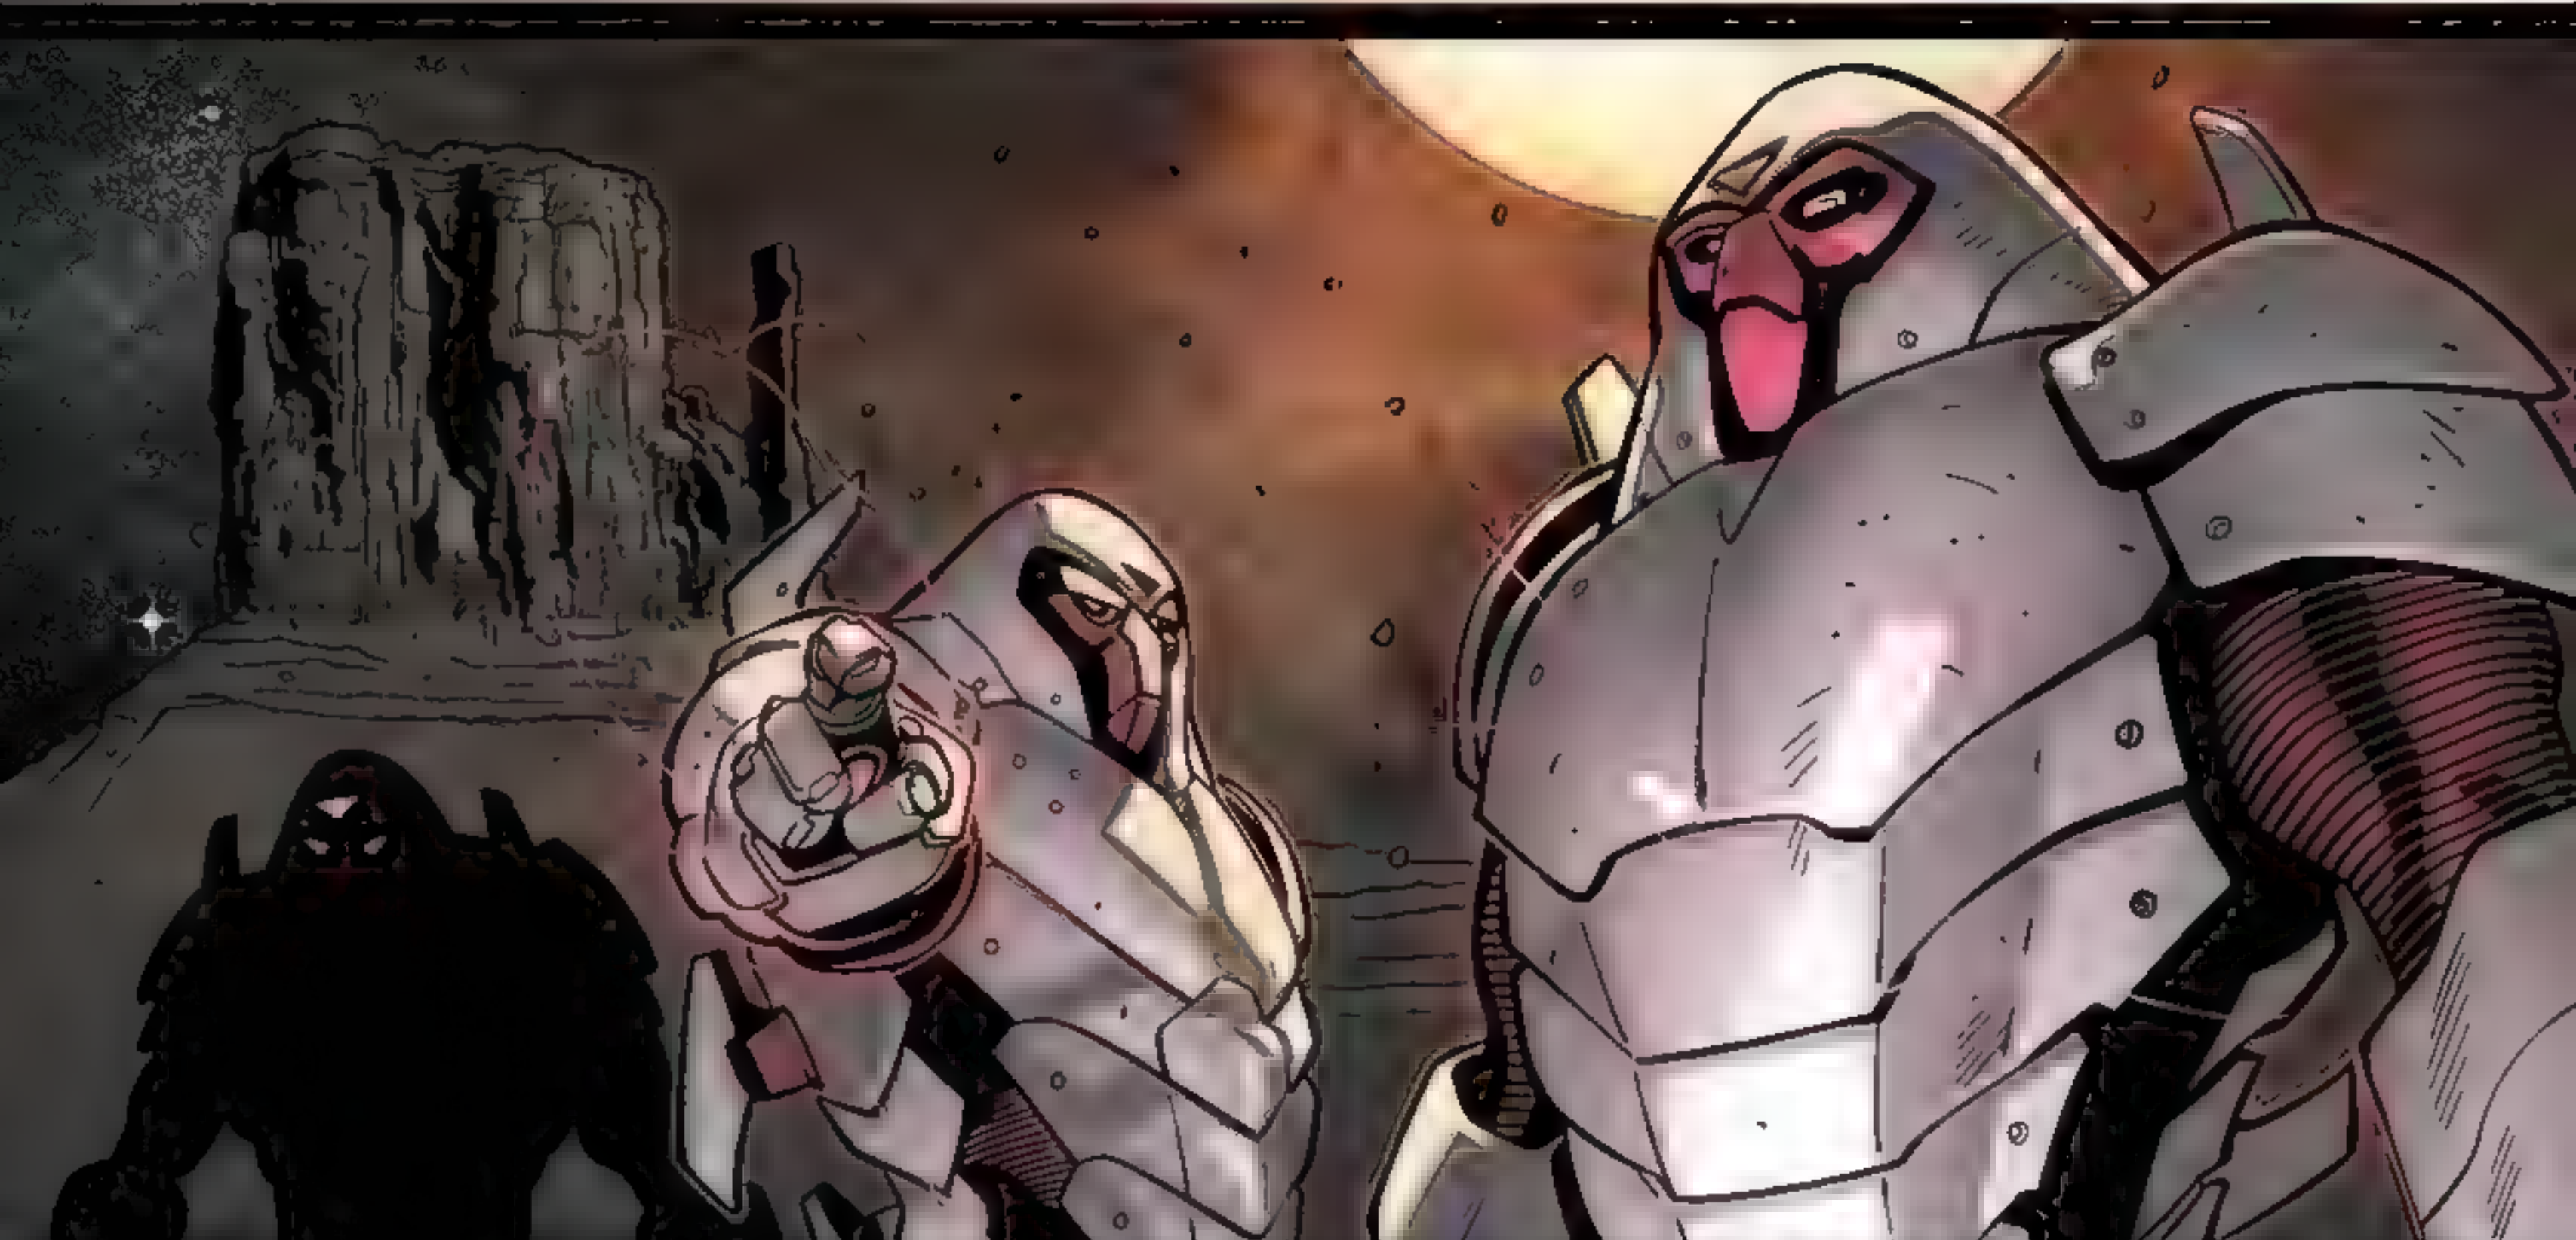

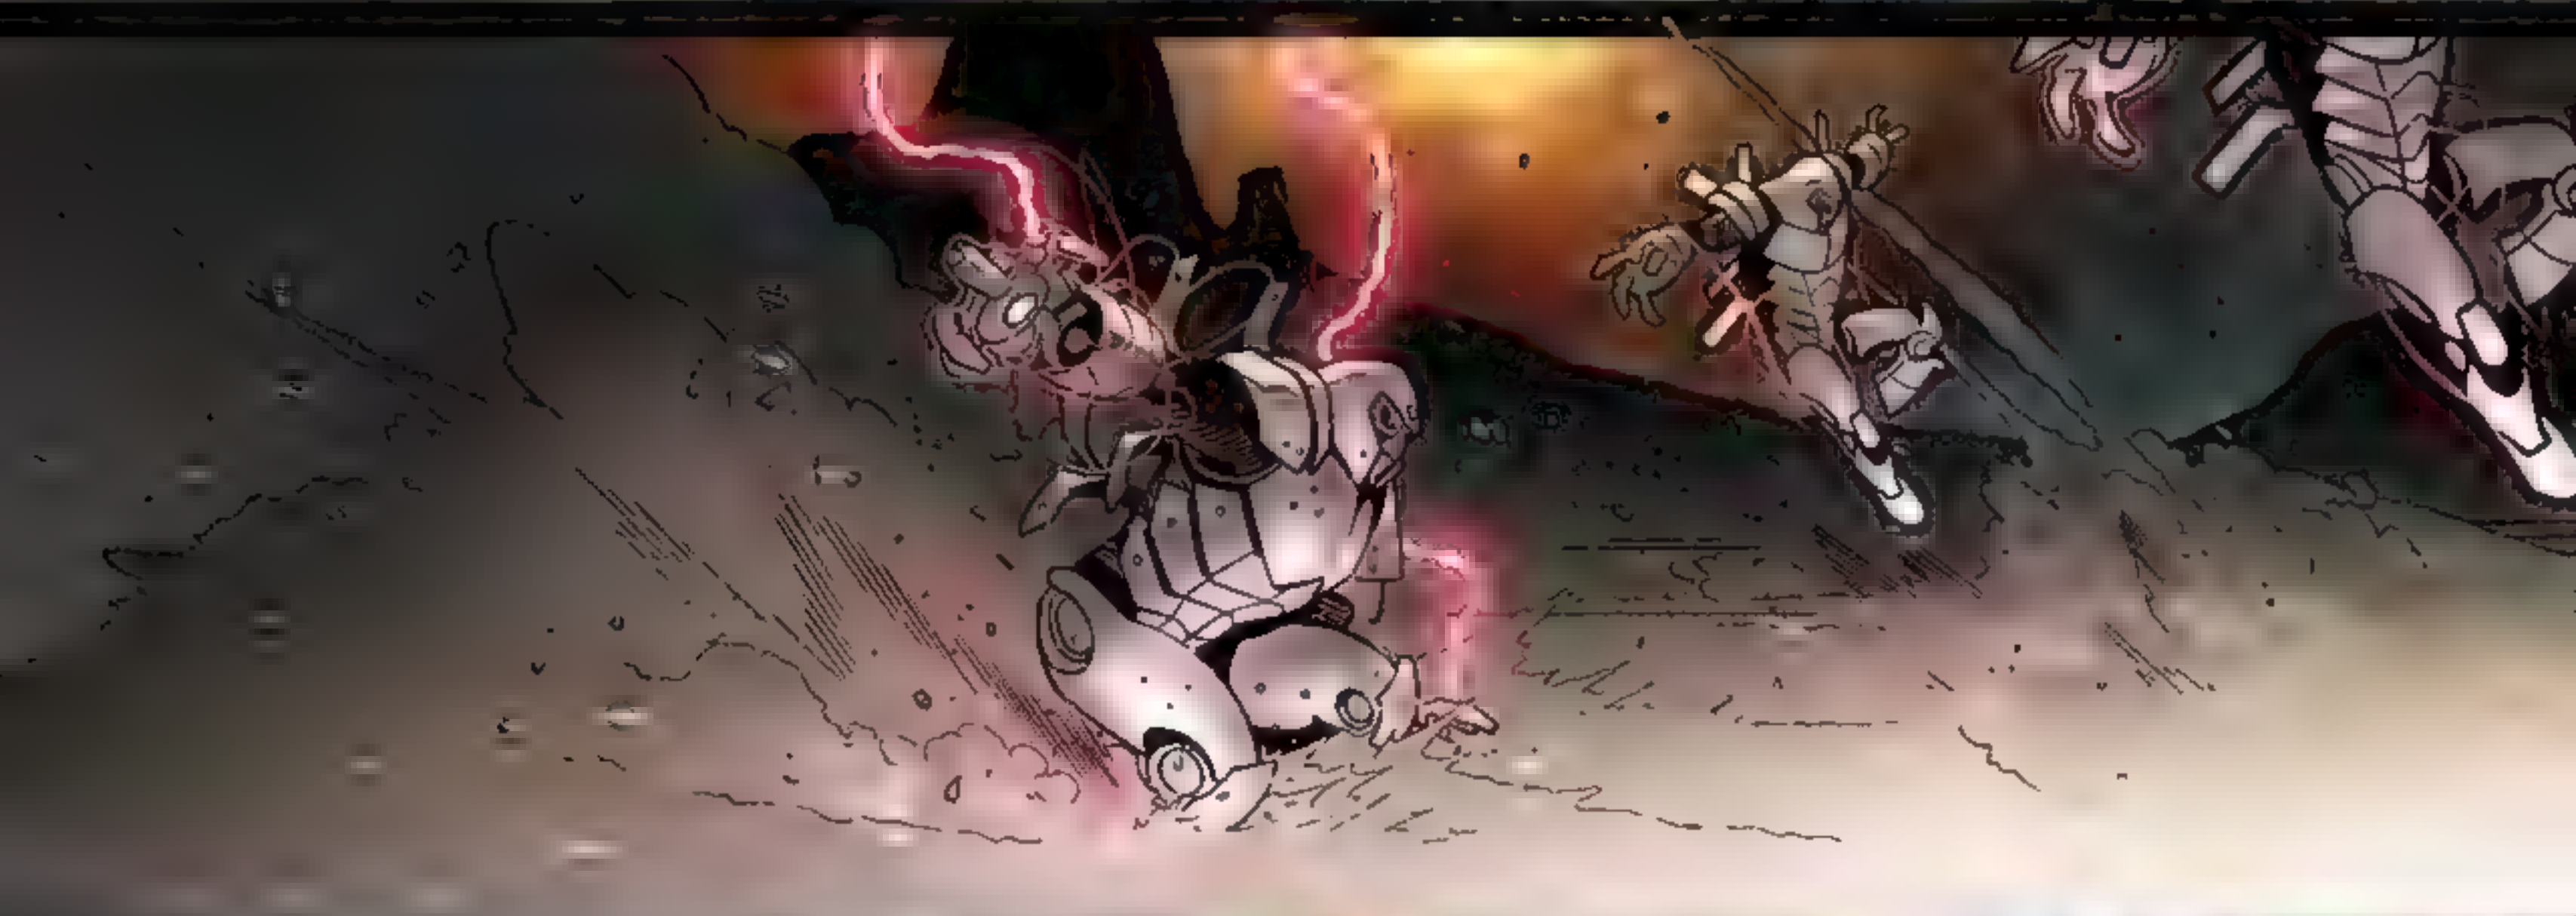

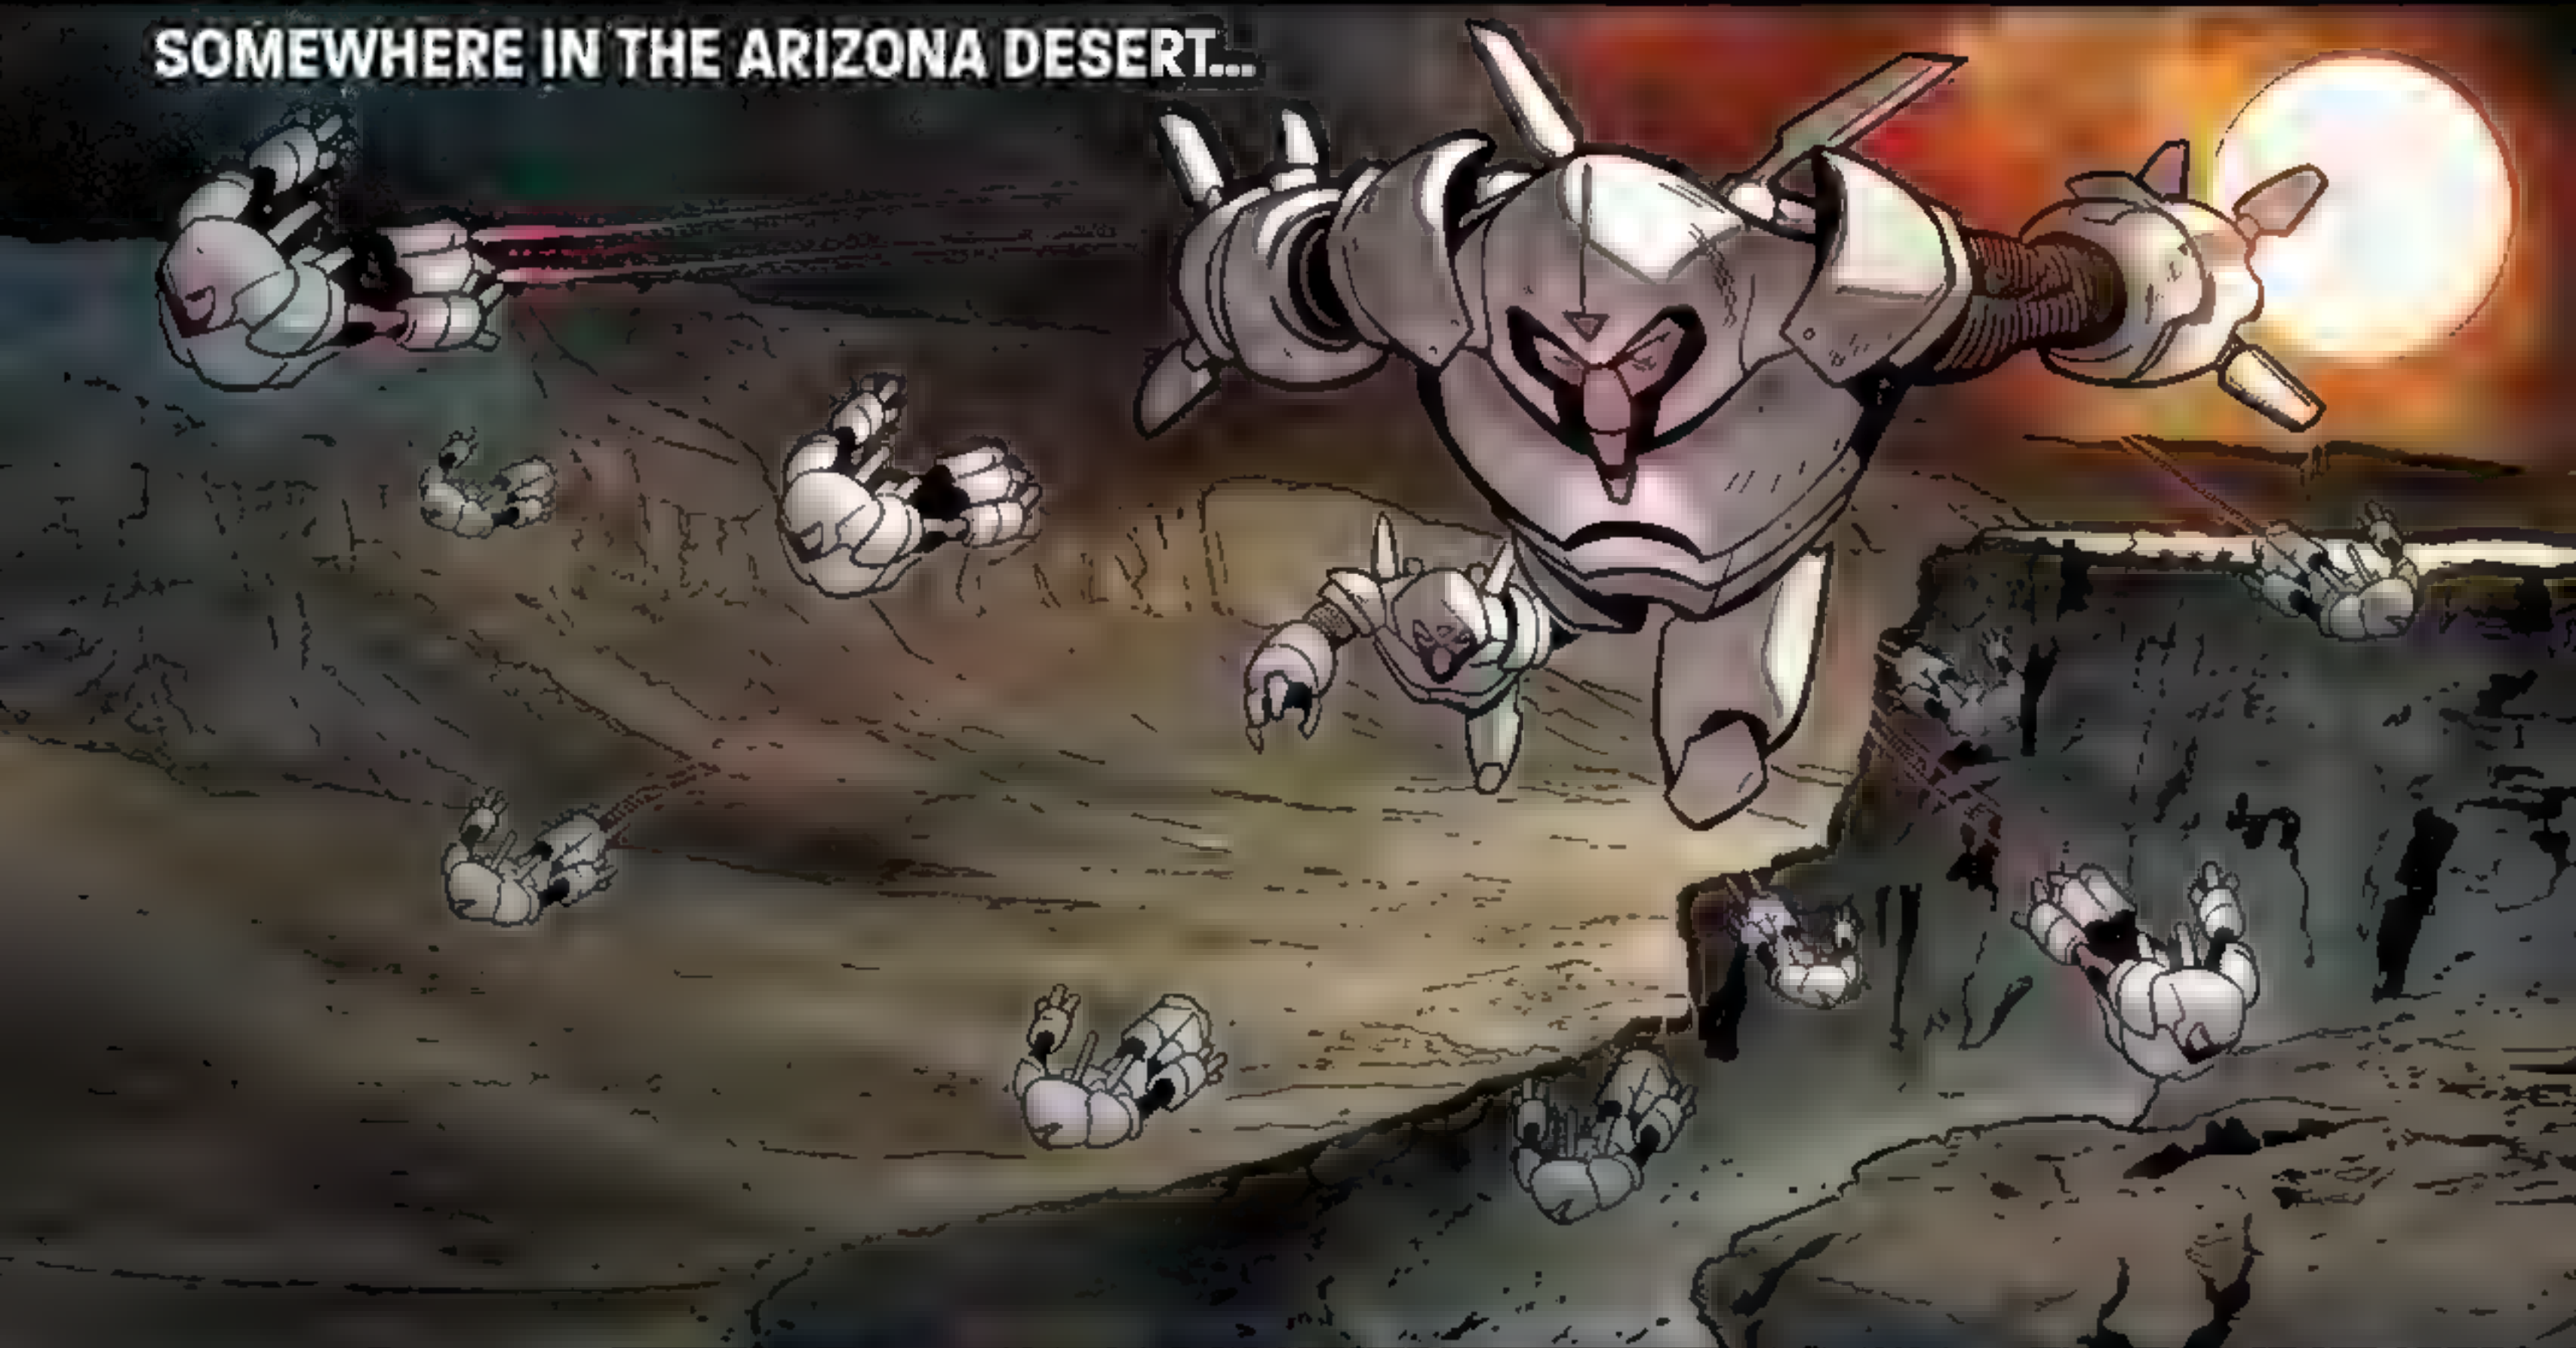

"Our nation has been torn
asunder before. We have
faced grave threats, both
at home and abroad. Each
time, we triumphed, and
rose from it stronger
than before.

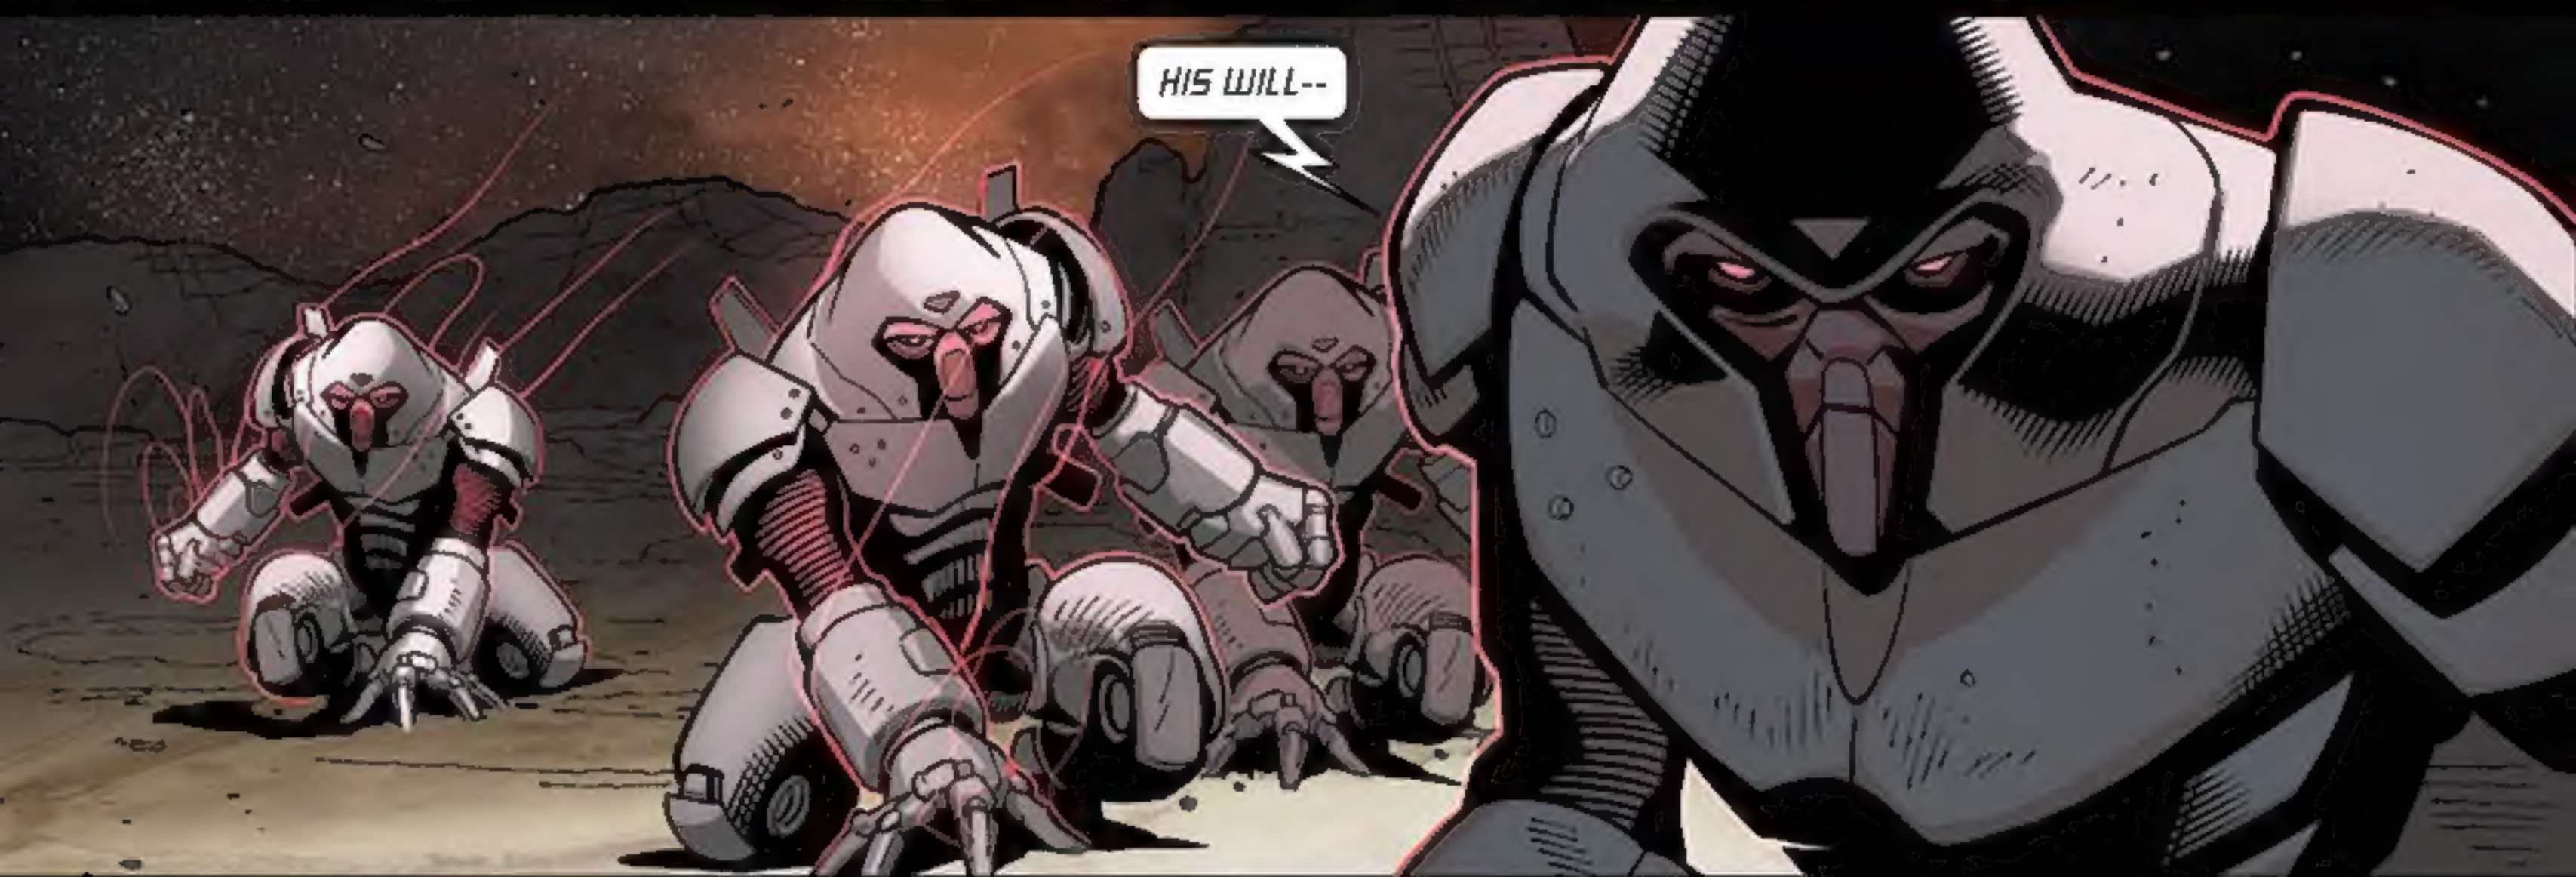

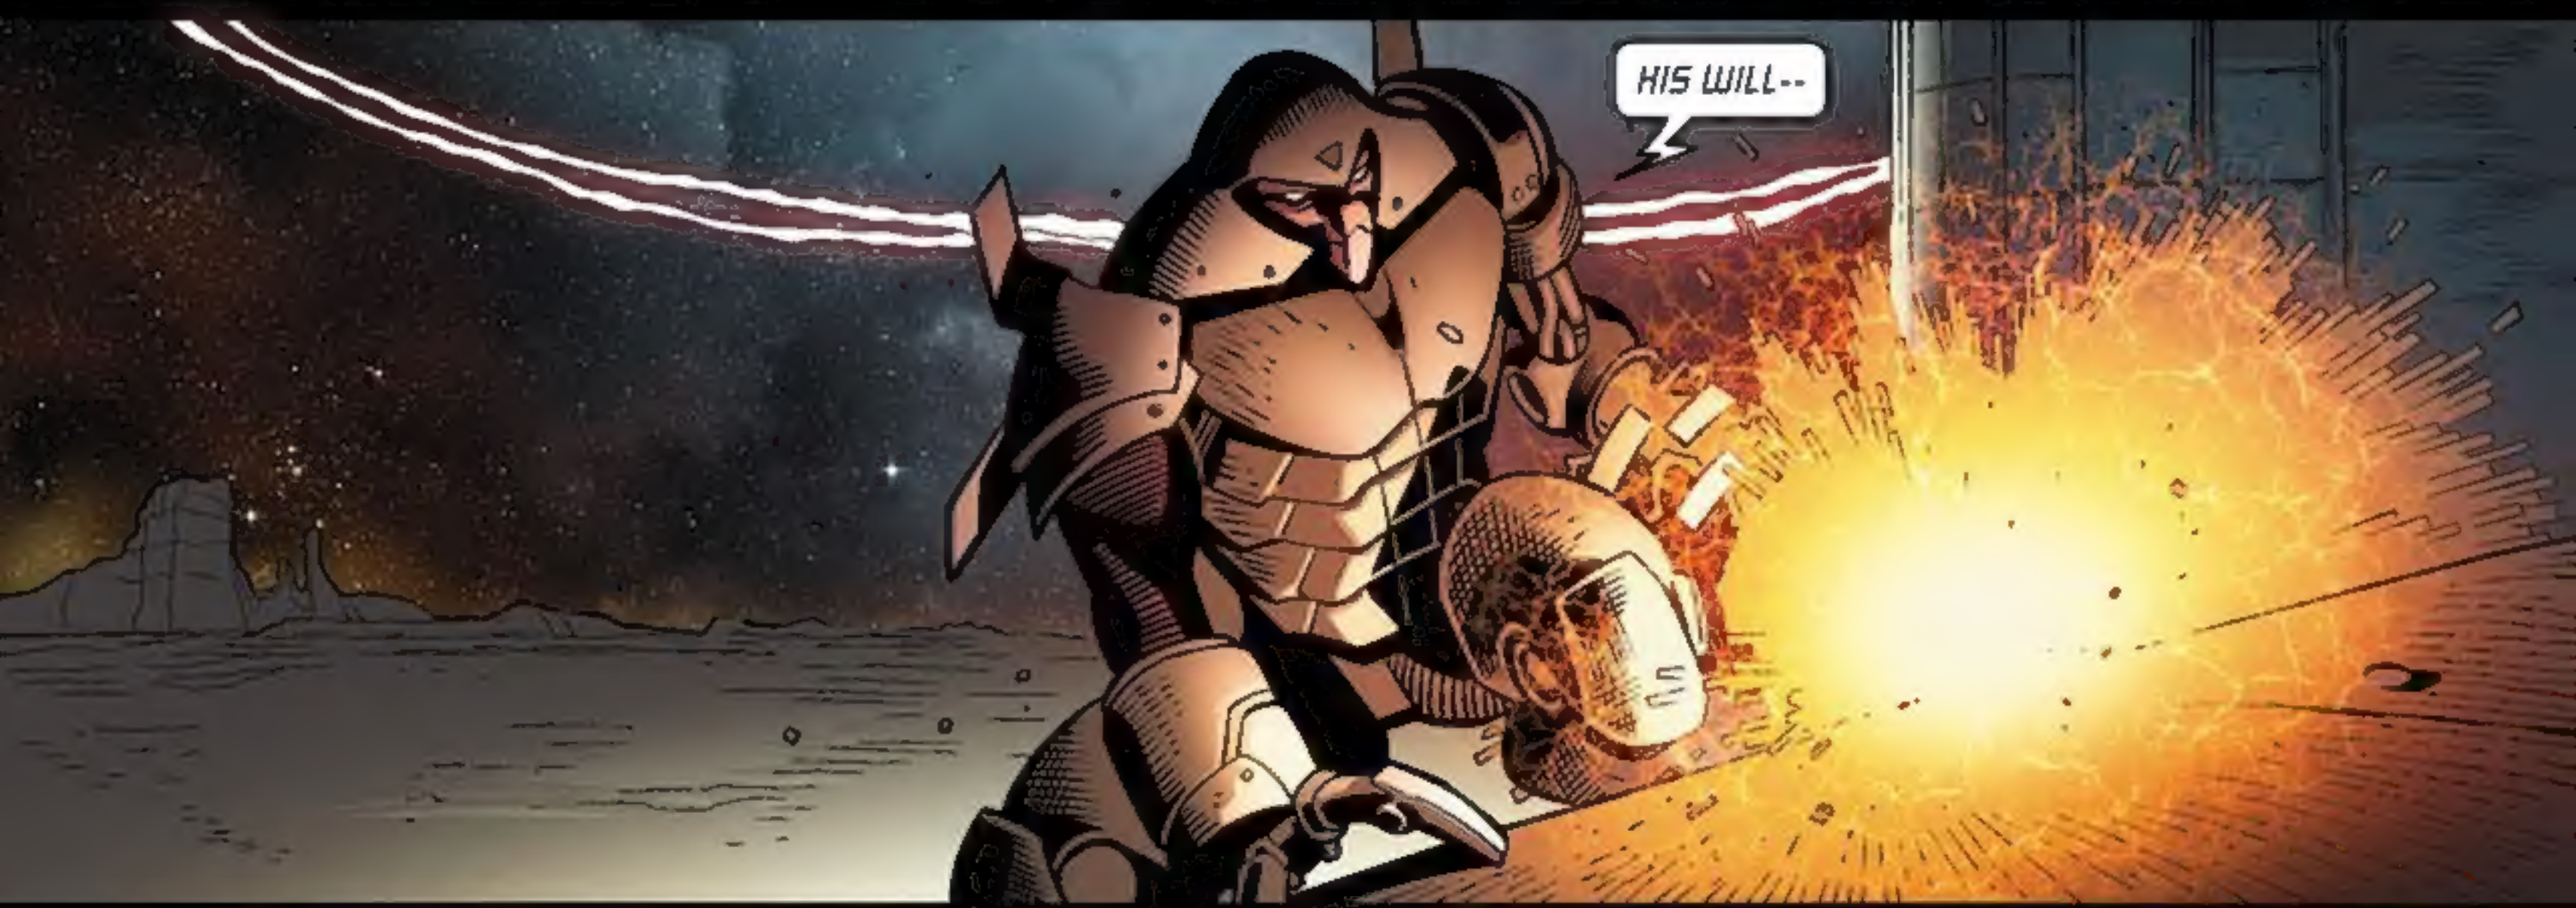

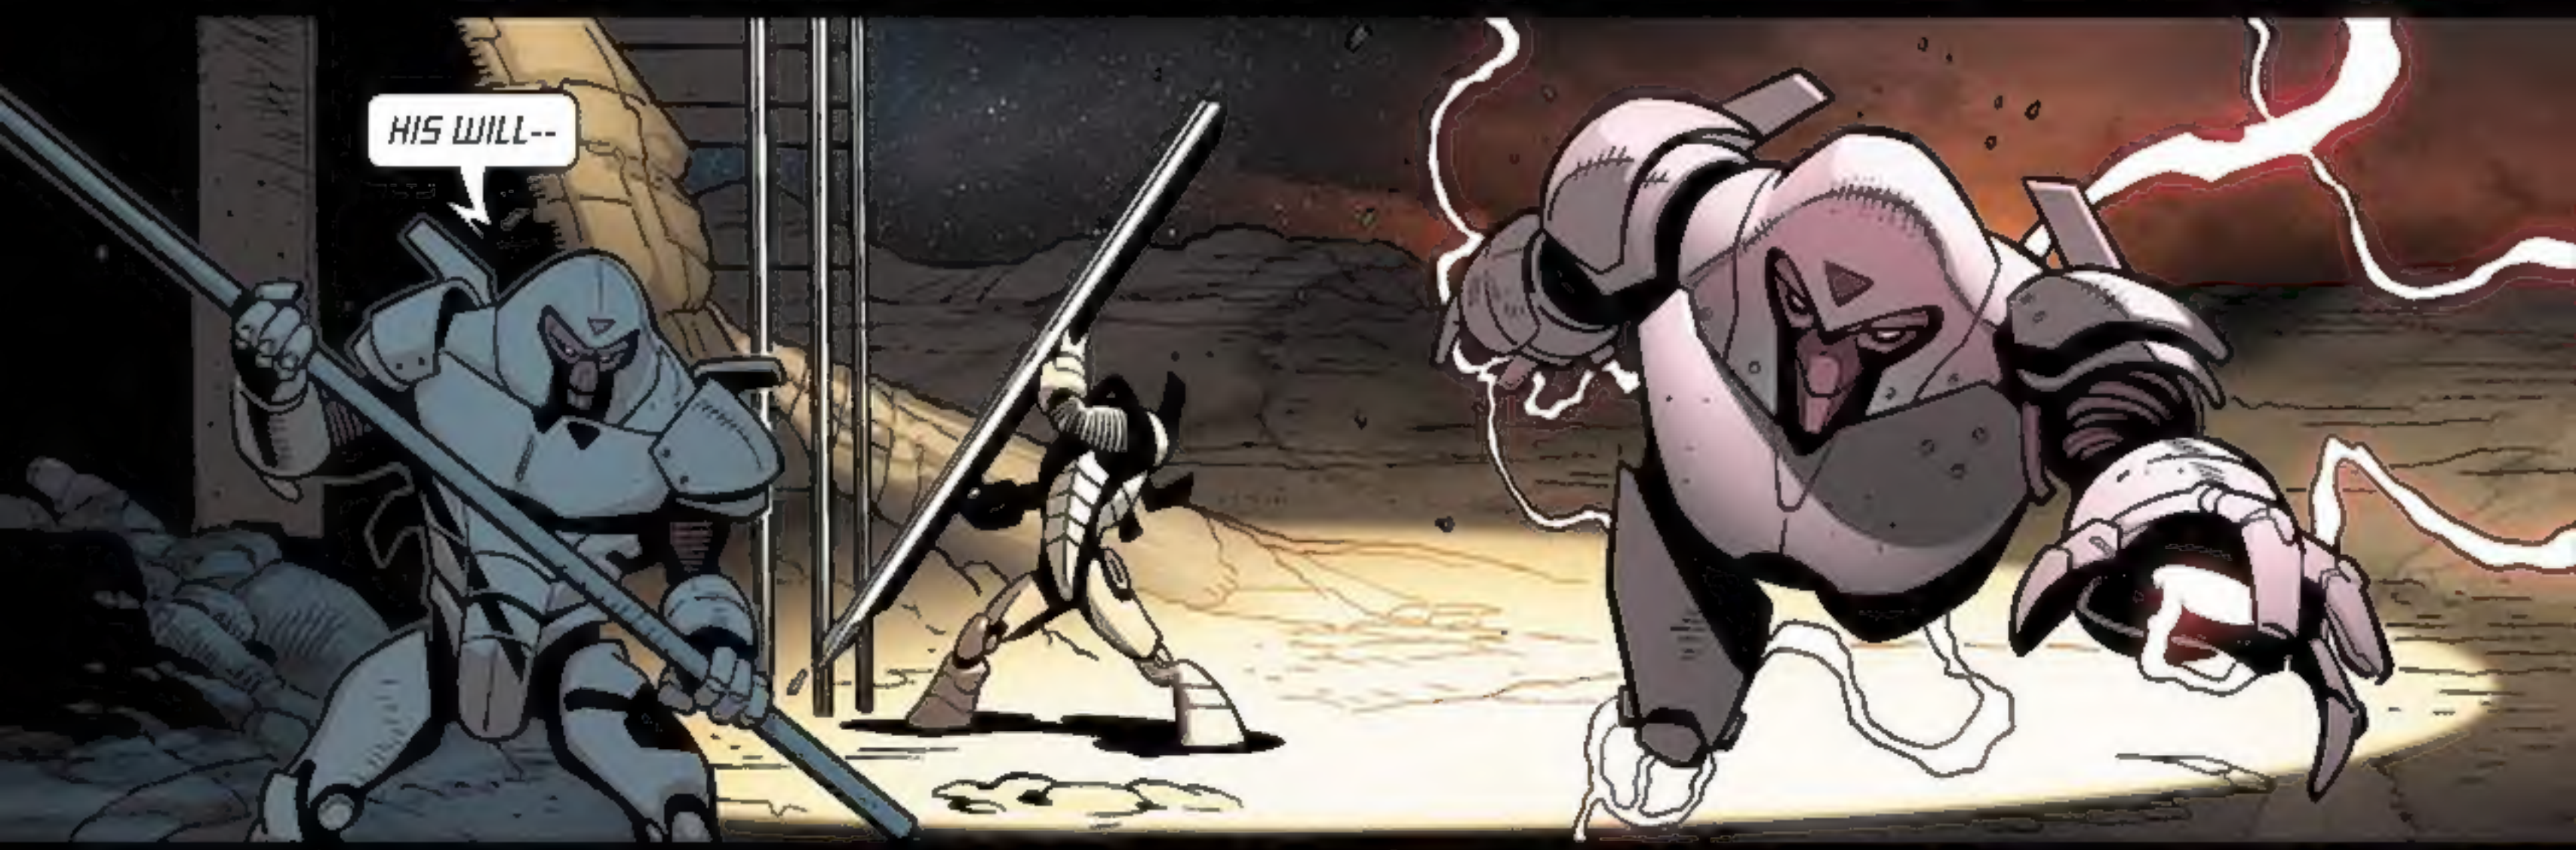

"We will persevere. We
will overcome. We will
be united once more."

Good night,
and God save
America.
